Any endorsement of a Global Security on the “Schedule of Exchanges of Interests in the Global Note” to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Securities represented thereby shall be made by the Trustee or, if the Custodian and the Trustee are not the same Person, by the Custodian at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.04 hereof.

The Company hereby appoints U.S. Bank National Association as the initial Conversion Agent for the Securities. U.S. Bank National Association shall be entitled to all of the rights, protections, exculpations and indemnities afforded to the Trustee in connection with its role as Conversion Agent.

The Company may also from time to time designate one or more additional conversion agents and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligations to maintain a Conversion Agent. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the name or address of any Conversion Agent. The term “Conversion Agent” includes any additional conversion agent.

The Company initially appoints The Depository Trust Company (“DTC”) to act as Depository with respect to the Global Securities.

(v) The Trustee shall authenticate Global Securities and Definitive Securities in accordance with the provisions of Section 2.02.

(vi) All certifications, certificates and opinions of counsel required to be submitted to the Registrar pursuant to this Section 2.04 to effect a registration of transfer or exchange may be submitted by facsimile or electronically.

(vii) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Securities (including any transfers between or among the Depository's participants or beneficial owners of interests in any Global Security) other than to require delivery of such certificates and other documentation as expressly required by, and to do so if and when expressly required by, the terms of this Indenture and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(viii) None of the Company, any Registrar or the Trustee shall be required to exchange or register a transfer of any Securities or portions thereof in respect of which a Fundamental Change Purchase Notice has been delivered and not withdrawn by the Holder thereof (except, in the case of the purchase of a Security in part, the portion thereof not to be purchased).

Section 2.05. Outstanding Securities.

Securities converted pursuant to Article 6 are not outstanding Securities.

If a Paying Agent (other than the Company or an Affiliate of the Company) holds in respect of Securities on a Fundamental Change Purchase Date or the Final Maturity Date money sufficient to pay the principal of, and any accrued interest on, Securities (or portions thereof) payable on that date, then on and after such Fundamental Change Purchase Date or the Final Maturity Date, as the case may be, such Securities (or portions thereof, as the case may be) shall cease to be outstanding and any interest on them shall cease to accrue.

Section 2.06. Cancellation.

The Conversion Agent shall forward to the Trustee or its agent any Securities surrendered to them for conversion. The Company may not hold or resell Securities converted pursuant to Article 6 that are delivered for cancellation or issue any new Securities to replace any such Securities.

Section 2.07. Expiration of Restrictions.

(a) If as of the Free Trade Date, the Private Placement Legend has not been removed from any Restricted Global Security, any Securities are assigned a restricted CUSIP number or any Securities are not otherwise Freely Tradable, in each case other than Securities held by Affiliates (within the meaning of Rule 144) of the Company or a Person who has been an Affiliate (within the meaning of Rule 144) during the immediately preceding 90 days, the Company will pay additional interest on such Securities. In such circumstances, (x) such additional interest will accrue on such Securities at a rate equal to (i) 0.25% per annum of the principal amount of such Securities then outstanding for the first 90 days and (ii) 0.50% per annum of the principal amount of such Securities then outstanding following the first 90 days and, in the case of each of clauses (i) and (ii), until the Private Placement Legend is removed, such Securities are assigned an unrestricted CUSIP number and such Securities are Freely Tradable and (y) such interest will be the sole and exclusive remedy under the Indenture in such circumstances. Any additional interest payable pursuant to this Section 2.07 will be payable in arrears on each Interest Payment Date following accrual in the same manner as ordinary interest is payable. In the event that the Company is required to pay any additional interest pursuant to this Section 2.07, it shall give notice as set forth in Section 4.07 of the Base Indenture. Within three Business Days after such additional interest shall cease to accrue, the Company shall notify the Holders, the Trustee and the Paying Agent in writing. Such notice shall explain why the additional interest shall no longer be due and specify the last date to which such additional interest will accrue.

(b) In order to reflect the removal of the Private Placement Legend from a Restricted Global Security, the Company may (A) deliver to the Depository an instruction letter for the Depository's mandatory exchange process at least 15 days immediately prior to the Free Trade Date and (B) deliver to each of the Trustee and the Registrar a duly completed Free Transferability Certificate promptly after the Free Trade Date, and may further use any such other procedures as shall be agreed with the Trustee.

(c) Immediately upon receipt of the Free Transferability Certificate by each of the Trustee and the Registrar the Private Placement Legend will be deemed removed from each of the Global Securities specified in such Free Transferability Certificate and the restricted CUSIP number will be deemed removed from each of such Global Securities and deemed replaced with an unrestricted CUSIP number.

(d) Prior to the Company's delivery of the Free Transferability Certificate and afterwards, the Company and the Trustee will use reasonable efforts to comply with the Applicable Procedures and otherwise to cause each Global Security to be identified by an unrestricted CUSIP number in the facilities of the Depository by the date the Free Transferability Certificate is delivered to the Trustee and the Registrar or as promptly as possible thereafter.

(e) Notwithstanding anything herein or in the Base Indenture to the contrary, at no time shall the Company be required to pay both the additional interest that is payable in accordance with this Section 2.07 and any additional interest that may be payable as a result of the Company's election pursuant to Section 6.02(b) of the Base Indenture.

ARTICLE 3

REDEMPTION

Article 3 of the Base Indenture does not apply and is superseded in its entirety by the provisions of this Article.

Section 3.01. Right to Redeem. Prior to the Par Call Date, the Company shall be entitled to redeem the Securities at its option, in whole or in part, *provided* that the Closing Sale Price of the Company's Common Stock for at least 20 Trading Days (whether or not consecutive) during the period of 30 consecutive Trading Days ending on the Trading Day immediately prior to the date of the Redemption Notice exceeds 130% of the applicable Conversion Price for the Securities on each applicable Trading Day. At any time on or after the Par Call Date and prior to the Final Maturity Date, the Company shall be entitled to redeem the Securities at its option, in whole or in part. The redemption price for the Securities to be redeemed on any Redemption Date (the "**Redemption Price**") will equal (a) 100% of the principal amount of the Securities being redeemed plus (b) accrued and unpaid interest (including additional interest), if any, to, but excluding, the Redemption Date, unless the Redemption Date falls after a Record Date but on or prior to the immediately succeeding Interest Payment Date, in which case the Company shall instead pay the full amount of accrued and unpaid interest (including any additional interest), if any, to the Holder of record as of the close of business on such Record Date (it being understood that the Trustee does not have an affirmative duty to calculate the Redemption Price and that the Trustee is entitled to rely upon the request of the Company in a Redemption Notice). If Securities are redeemed on a date that is after a Record Date for the payment of interest and on or prior to the corresponding Interest Payment Date, accrued and unpaid interest will not be paid to the Holder of Securities being redeemed, and instead the full amount of the relevant interest payment will be paid on such Interest Payment Date to the Holder of record on such Record Date.

Section 3.02. Notices to Paying Agent. If the Company elects to redeem Securities pursuant to the optional redemption provisions of the Securities, it shall notify the Paying Agent in writing of the Redemption Date, the principal amount of Securities to be redeemed and the paragraph of the Securities pursuant to which the redemption will occur.

The Company shall give each notice to the Paying Agent provided for in this Section 3.02 at least 45 days before the Redemption Date unless the Paying Agent consents to a shorter period; *provided, however*, that if the Company mails a Redemption Notice to Holders more than 30 days prior to the Redemption Date, in accordance with Section 3.05 hereto, the Company shall immediately give notice to the Paying Agent. Such notice shall be accompanied by an Officers' Certificate and an Opinion of Counsel from the Company to the effect that such redemption will comply with the conditions herein.

Section 3.03. Selection of Securities to Be Redeemed. In the event that the Company chooses to redeem less than all of the Securities at any time, selection of the Securities for redemption shall be made by the Paying Agent by lot or by such method in accordance with the Depository's procedures. The Paying Agent shall make the selection from outstanding Securities not previously called for redemption. Securities and portions of Securities the Paying Agent selects shall be in principal amounts of \$1,000 or multiples of \$1,000. Provisions of this Supplemental Indenture that apply to Securities called for redemption also apply to portions of Securities called for redemption. The Paying Agent shall notify the Company promptly of the Securities or portions of Securities to be redeemed.

Section 3.04. Notice of Redemption. At least 30 days but not more than 60 days before a date for redemption of Securities, the Company shall mail a notice of redemption (a "**Redemption Notice**") by first-class mail (or otherwise arrange for delivery in accordance with the requirements of the Depository)

to each Holder of Securities to be redeemed at such Holder's registered address, except that Redemption Notices may be mailed or otherwise given more than 60 days prior to the Redemption Date if the notice is issued in connection with a defeasance of the Securities or a satisfaction and discharge of the Indenture. Any inadvertent defect in the Redemption Notice, including an inadvertent failure to give notice, to any Holder selected for redemption shall not impair or affect the validity of the redemption of any other Security redeemed in accordance with provisions of the Indenture. Simultaneously with providing such Redemption Notice, the Company shall issue a press release or publish a notice containing the information included therein or shall publish such information on the Company's website or through such other public medium as the Company may use at such time.

The notice shall identify the Securities to be redeemed and shall state:

- (i) the Redemption Date;
- (ii) the Redemption Price;
- (iii) the name and address of the Paying Agent;
- (iv) that Securities called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
- (v) if fewer than all the outstanding Securities are to be redeemed, the identification and principal amounts of the particular Securities to be redeemed;
- (vi) that, unless the Company defaults in making such redemption payment, interest on Securities (or portion thereof) called for redemption ceases to accrue on and after the Redemption Date;
- (vii) the "CUSIP" number, ISIN or "Common Code" number, if any, printed on the Securities being redeemed;
- (viii) that no representation is made as to the correctness or accuracy of the "CUSIP" number, ISIN, or "Common Code" number, if any, listed in such notice or printed on the Securities;
- (ix) that such Holder has a right to convert the Securities called for redemption upon satisfaction of the requirements therefor set in the Indenture, and the Conversion Rate applicable to such conversion; and
- (x) the time at which such Holders' right to convert the Securities called for redemption will expire, which will be the close of business on the Business Day immediately preceding the Redemption Date.

At the Company's request, the Paying Agent shall give the Redemption Notice in the Company's name and at the Company's expense. In such event, the Company shall provide the Paying Agent with the information required by this Section.

Section 3.05. Effect of Redemption Notice. Once a Redemption Notice is mailed, Securities called for redemption become due and payable on the Redemption Date and at the Redemption Price stated in the Redemption Notice. Upon surrender to the Paying Agent, such Securities shall be paid at the Redemption Price stated in the Redemption Notice, plus accrued interest to the Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on the related Interest

Payment Date), and such Securities shall be canceled by the Paying Agent. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.06. Deposit of Redemption Price. Prior to the Redemption Date, the Company shall deposit with the Paying Agent (or, if the Company or a Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the Redemption Price of and accrued interest on all Securities to be redeemed on that date other than Securities or portions of Securities called for redemption which have been delivered by the Company to the Paying Agent for cancellation.

Section 3.07. Securities Redeemed in Part. Upon surrender of a Security that is redeemed in part, the Company shall execute and the Trustee or an authenticating agent shall authenticate for the Holder (at the Company's expense) a new Security equal in principal amount to the unredeemed portion of the Security surrendered.

Section 3.08. Effect of Redemptions in Part. In the event of any redemption in part, the Company shall not be required to (i) issue, register the transfer of or exchange any Securities during a period beginning at the open of business 15 days before the mailing of a Redemption Notice and ending at the close of business on the earliest date on which the relevant Redemption Notice is deemed to have been given to all Holders of Securities to be redeemed or (ii) register the transfer of or exchange any Securities so selected for redemption, in whole or in part, except the unredeemed portion of any Securities being redeemed in part.

Section 3.09. Conditions to Redemption.

(a) No Securities may be redeemed if the principal amount of the Securities has been accelerated, and such acceleration has not been rescinded, on or prior to the Redemption Date (except in the case of an acceleration resulting from a default by the Company in the payment of the applicable Redemption Price with respect to such Securities).

(b) The Company may not redeem any Securities unless, as evidenced by an Officer's Certificate, the conditions listed below (the "**Equity Conditions**") are satisfied on each day during the period (x) commencing on the date a Redemption Notice is mailed or delivered to the Holders and (y) ending on the Redemption Date (such interval, the "**Equity Conditions Measuring Period**"). The Equity Conditions are as follows:

(i) either (1) all shares of Common Stock issuable upon conversion of Securities and held by a non-Affiliate of the Company shall be eligible for sale without the need for registration under any applicable federal securities laws and will be issued without any Private Placement Legend or other similar restrictive legend or (2) a Shelf Registration Statement registering the resale of the shares of Common Stock issuable upon conversion of the Securities for which the beneficial owners of the Securities have timely delivered a completed Notice and Questionnaire (and other information that may be required to be delivered to the Company) to the Company in accordance with Section 6.15 has been filed by the Company and been declared effective by the SEC or is automatically effective and is available for use, and the Company expects such Shelf Registration Statement to remain effective and available for use from the first day of the Equity Conditions Measuring Period until thirty (30) days following the date on which the condition set forth in clause (1) of this clause (i) has been satisfied; and

(ii) during the Equity Conditions Measuring Period, the shares of Common Stock are listed or traded on the NYSE, The NASDAQ Global Select Market, The NASDAQ

Global Market or The NASDAQ Capital Market, or any of their respective successors (each, an “**Eligible Market**”) and shall not have been suspended from trading on such exchange or market (other than suspensions of not more than two Trading Days and occurring prior to the applicable date of determination due to business announcements by the Company) nor shall delisting or suspension by such exchange or market have been threatened or pending either (A) in writing by such exchange or market or (B) by falling below the then effective minimum listing maintenance requirements of such exchange or market.

ARTICLE 4

PURCHASE OF SECURITIES UPON A FUNDAMENTAL CHANGE

Section 4.01. Purchase of Securities at Option of the Holder Upon Fundamental Change.

(a) If at any time that Securities remain outstanding there shall occur a Fundamental Change, Securities shall be purchased by the Company at the option of the Holders, as of a date, determined by the Company in its sole discretion, that is not less than 20 Business Days and not more than 30 Business Days after the occurrence of the Fundamental Change (the “**Fundamental Change Purchase Date**”) at a purchase price equal to 100% of the principal amount of the Securities to be purchased, together with any accrued and unpaid interest to, but excluding, the Fundamental Change Purchase Date (the “**Fundamental Change Purchase Price**”), unless the Fundamental Change Purchase Date is after a Record Date and on or prior to the related Interest Payment Date, in which case interest accrued to the Interest Payment Date will be paid to Holders of the Securities as of the preceding Record Date and the Fundamental Change Purchase Price payable to any Holder surrendering such Holder’s Security for purchase pursuant to this Article 4 shall be equal to the principal amount of Securities subject to purchase and will not include any accrued and unpaid interest. The Fundamental Change Purchase Price shall be payable in cash, subject to satisfaction by or on behalf of any Holder of the requirements set forth in subsection (c) of this Section 4.01. Notwithstanding the foregoing, the Company may not repurchase the Securities upon the occurrence of a Fundamental Change if the principal amount of the Securities has been accelerated and such acceleration has not been rescinded on or prior to the Fundamental Change Purchase Date.

A “**Fundamental Change**” shall mean the occurrence of a Change in Control or a Termination of Trading.

A “**Change in Control**” shall be deemed to have occurred if any of the following occurs after the date hereof:

- (i) any “person” or “group” (as such terms are defined below) is or becomes the “beneficial owner” (as defined below), directly or indirectly, of shares of Voting Stock of the Company representing 50% or more of the total voting power of all outstanding classes of Voting Stock of the Company or has the power, directly or indirectly, to elect a majority of the members of the Board of Directors;
- (ii) the Company consolidates with, enters into a binding share exchange with, or merges with or into, another Person or the Company sells, assigns, conveys, transfers, leases or otherwise disposes of all or substantially all of the assets of the Company, or any Person consolidates with, or merges with or into, the Company, in any such event other than pursuant to a transaction (A) in which the Persons that “beneficially owned” (as defined below), directly or indirectly, shares of Voting Stock of the Company immediately prior to such transaction

“beneficially own” (as defined below), directly or indirectly, shares of Voting Stock of the Company representing at least a majority of the total voting power of all outstanding classes of Voting Stock of the surviving or transferee Person, with such Holders’ proportional voting power immediately after such transaction vis-à-vis each other with respect to the securities they receive in such transaction being in substantially the same proportions as their respective voting power vis-à-vis each other immediately prior to such transaction, or (B) which is effected solely to change the jurisdiction of incorporation of the Company and results in a reclassification, conversion or exchange of outstanding shares of Common Stock solely into shares of common stock of the surviving Person; or

- (iii) the holders of capital stock of the Company approve any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the terms of this Indenture).

For the purpose of the definition of “**Change in Control**”, (i) “person” and “group” have the meanings given such terms under Section 13(d) and 14(d) of the Exchange Act or any successor provision to either of the foregoing, and the term “group” includes any group acting for the purpose of acquiring, holding, voting or disposing of securities within the meaning of Rule 13d-5(b)(1) under the Exchange Act (or any successor provision thereto), (ii) a “beneficial owner” shall be determined in accordance with Rule 13d-3 under the Exchange Act, as in effect on the date of this Indenture, except that the number of shares of Voting Stock of the Company shall be deemed to include, in addition to all outstanding shares of Voting Stock of the Company and Unissued Shares deemed to be held by the “person” or “group” (as such terms are defined above) or other Person with respect to which the Change in Control determination is being made, all Unissued Shares deemed to be held by all other Persons, and (iii) the terms “beneficially owned” and “beneficially own” shall have meanings correlative to that of “beneficial owner.” The term “**Unissued Shares**” means shares of Voting Stock not outstanding that are subject to options, warrants, rights to purchase or conversion privileges exercisable within 60 days of the date of determination of a Change in Control.

Notwithstanding anything to the contrary set forth in this Section 4.01, Holders shall not have the right to require the Company to purchase any Securities under clauses (i) and (ii) of the definition of Change in Control, and the Company shall not be required to deliver a written notice of a Fundamental Change incidental thereto as a result of any acquisition, consolidation, merger or binding share exchange or a sale, assignment, conveyance, transfer, lease or other disposition if at least 90% of the consideration (excluding cash payments for fractional shares and cash payments pursuant to dissenters’ appraisal rights) paid for the Common Stock in such transaction or transactions consists of shares of common stock traded on the NYSE, The NASDAQ Global Select Market or The NASDAQ Global Market (or any of their respective successors) (or which will be so traded immediately following the transaction or transactions) and as a result of such transaction or transactions the Securities become convertible into such shares of such common stock. Any event that would constitute a Change in Control pursuant to both clauses (i) and (ii) of the definition of Change in Control shall be treated as constituting a Change in Control solely pursuant to clause (ii).

A “**Termination of Trading**” means that the Common Stock or other securities into which the Securities are convertible are not approved for listing on the NYSE, The NASDAQ Global Select Market or The NASDAQ Global Market (or any of their respective successors).

If any transaction in which the Common Stock is replaced by the securities of another entity occurs, following completion of any related Make Whole Adjustment Event Period and any related Fundamental Change Purchase Date, references to the Company in the definitions of “Fundamental

Change,” “Change in Control” and “Termination of Trading” above shall apply to such other entity instead.

(b) Within 10 Business Days after the occurrence of a Fundamental Change, the Company shall mail a written notice of the Fundamental Change to the Trustee, Conversion Agent, Registrar and Paying Agent and to each Holder (and to beneficial owners as required by applicable law). The Company shall also issue a press release announcing the occurrence of such Fundamental Change (and make such press release available on the Company’s website). The notice shall include the form of a Fundamental Change Purchase Notice to be completed by the Holder and shall state:

- (i) briefly, the events causing such Fundamental Change;
- (ii) the effective date of such Fundamental Change;
- (iii) whether the Fundamental Change constitutes a Make Whole Adjustment Event and, if so, the Effective Date of such Make Whole Adjustment Event;
- (iv) briefly, the conversion rights of the Securities, the Conversion Price and any adjustments thereto;
- (v) the Holder’s right to require the Company to purchase the Securities;
- (vi) the Fundamental Change Purchase Date;
- (vii) the Fundamental Change Purchase Price;
- (viii) the date by which the Fundamental Change Purchase Notice pursuant to this Section 4.01 must be given;
- (ix) that Securities as to which a Fundamental Change Purchase Notice has been given may be converted pursuant to Article 6 of this Supplemental Indenture only to the extent that the Fundamental Change Purchase Notice has been withdrawn in accordance with the terms of this Indenture;
- (x) the procedures that the Holder must follow to exercise rights under this Section 4.01;
- (xi) the procedures for withdrawing a Fundamental Change Purchase Notice, including a form of notice of withdrawal;
- (xii) that the Holder must satisfy the requirements set forth in the Securities in order to convert the Securities; and
- (xiii) the name and address of each Paying Agent and Conversion Agent.

If any of the Securities is in the form of a Global Security, then the Company shall modify such notice to the extent necessary to accord with the procedures of the Depository applicable to the repurchase of Global Securities.

(c) A Holder may exercise its rights specified in subsection (a) of this Section 4.01 upon delivery of a written notice (which shall be in substantially the form included in Exhibit A hereto and which may be delivered by letter, overnight courier, hand delivery, facsimile transmission or in any

other written form and, in the case of Global Securities, may (or, if Definitive Securities have not been issued, shall) be delivered electronically or by other means in accordance with the Depository's customary procedures) of the exercise of such rights (a "**Fundamental Change Purchase Notice**") to any Paying Agent at any time during the period between the date on which notice is given of the Fundamental Change and the close of business on the Business Day immediately preceding the Fundamental Change Purchase Date. The Fundamental Change Purchase Notice must specify the Securities for which the purchase right is being exercised.

The delivery of such Security to any Paying Agent (together with all necessary endorsements) at the office of such Paying Agent shall be a condition to the receipt by the Holder of the Fundamental Change Purchase Price therefor.

The Company shall purchase from the Holder thereof, pursuant to this Section 4.01, a portion of a Security if the principal amount of such portion is \$1,000 or an integral multiple of \$1,000. Provisions of this Indenture that apply to the purchase of all of a Security pursuant to Section 4.01 through Section 4.04 also apply to the purchase of such portion of such Security.

Notwithstanding anything herein to the contrary, any Holder delivering to a Paying Agent the Fundamental Change Purchase Notice contemplated by this subsection (c) shall have the right to withdraw such Fundamental Change Purchase Notice in whole or in a portion thereof that is a principal amount of \$1,000 or in an integral multiple thereof at any time prior to 5:00 p.m., New York City time, on the Business Day immediately preceding the Fundamental Change Purchase Date by delivery of a written notice of withdrawal to the Paying Agent in accordance with Section 4.02.

A Paying Agent shall promptly notify the Company of the receipt by it of any Fundamental Change Purchase Notice or written withdrawal thereof.

Anything herein to the contrary notwithstanding, in the case of Global Securities, any Fundamental Change Purchase Notice may be delivered or withdrawn and such Securities may be surrendered or delivered for purchase in accordance with the Applicable Procedures as in effect from time to time.

Section 4.02. Effect of Fundamental Change Purchase Notice.

Upon receipt by any Paying Agent of the Fundamental Change Purchase Notice specified in Section 4.01(c), the Holder of the Security in respect of which such Fundamental Change Purchase Notice was given shall (unless such Fundamental Change Purchase Notice is withdrawn as specified below) thereafter be entitled to receive the Fundamental Change Purchase Price with respect to such Security. Such Fundamental Change Purchase Price shall be paid to such Holder promptly following the later of (a) the Fundamental Change Purchase Date with respect to such Security (*provided* the conditions in Section 4.01(c) have been satisfied) and (b) the time of delivery of such Security to a Paying Agent by the Holder thereof in the manner required by Section 4.01(c). Securities in respect of which a Fundamental Change Purchase Notice has been given by the Holder thereof may not be converted into shares of Common Stock pursuant to Article 6 on or after the date of the delivery of such Fundamental Change Purchase Notice unless such Fundamental Change Purchase Notice has first been validly withdrawn.

A Fundamental Change Purchase Notice may be withdrawn by means of a written notice (which may be delivered by mail, overnight courier, hand delivery, facsimile transmission or in any other written form and, in the case of Global Securities, may be delivered electronically or by other means in accordance with the Depository's customary procedures) of withdrawal delivered by the Holder to a

Paying Agent at any time prior to 5:00 p.m., New York City time, on the Business Day immediately preceding the Fundamental Change Purchase Date, specifying the principal amount of the Security or portion thereof (which must be a principal amount of \$1,000 or an integral multiple of \$1,000 in excess thereof) with respect to which such notice of withdrawal is being submitted.

Section 4.03. Deposit of Fundamental Change Purchase Price.

On or before 11:00 a.m., New York City time, on the Fundamental Change Purchase Date, the Company shall deposit with the Paying Agent (other than the Company or an Affiliate of the Company) an amount of money (in immediately available funds if deposited on such Fundamental Change Purchase Date) sufficient to pay the aggregate Fundamental Change Purchase Price of all the Securities or portions thereof that are to be purchased as of such Fundamental Change Purchase Date. The manner in which the deposit required by this Section 4.03 is made by the Company shall be at the option of the Company; *provided* that such deposit shall be made in a manner such that the Paying Agent shall have immediately available funds on the Fundamental Change Purchase Date.

If a Paying Agent holds, in accordance with the terms hereof, money sufficient to pay the Fundamental Change Purchase Price of any Security for which a Fundamental Change Purchase Notice has been tendered and not withdrawn in accordance with this Indenture, then, on the Fundamental Change Purchase Date, (i) such Security will cease to be outstanding and interest will cease to accrue (whether or not book-entry transfer of such Security is made or whether or not such Security is delivered to the Paying Agent) and (ii) all other rights of the Holder in respect thereof shall terminate (other than the right to receive the Fundamental Change Purchase Price and previously accrued and unpaid interest as aforesaid). The Company shall publicly announce the principal amount of Securities purchased as a result of such Fundamental Change on or as soon as practicable after the Fundamental Change Purchase Date.

To the extent that the aggregate amount of cash deposited by the Company pursuant to this Section 4.03 exceeds the aggregate Fundamental Change Purchase Price of the Securities or portions thereof that the Company is obligated to purchase, then promptly after the Fundamental Change Purchase Date the Paying Agent shall return any such excess cash to the Company.

Section 4.04. Securities Purchased in Part.

Any Security that is to be purchased only in part shall be surrendered at the office of a Paying Agent, and promptly after the Fundamental Change Purchase Date the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Security, without service charge, a new Security or Securities, of such authorized denomination or denominations as may be requested by such Holder, in aggregate principal amount equal to, and in exchange for, the portion of the principal amount of the Security so surrendered that is not purchased.

Section 4.05. Compliance with Securities Laws Upon Purchase of Securities.

In connection with any offer to purchase or repurchase Securities under Section 4.01, the Company shall (a) comply with Rule 13e-4, Rule 14e-1 and any other tender offer rules under the Exchange Act, to the extent any such rules are applicable, (b) file a Schedule TO (or any successor or similar schedule, form or report), if required, under the Exchange Act and (c) otherwise comply with all federal and state securities laws in connection with such offer to purchase or repurchase Securities, all so as to permit the rights of the Holders and obligations of the Company under Section 4.01 through Section 4.04 to be exercised in the time and in the manner specified therein.

ARTICLE 5

PAYMENT OF INTEREST AND MAKE WHOLE ADJUSTMENT EVENTS

Section 5.01. Interest Payments.

(a) The Company shall pay interest on the Securities at a rate of 4.5% per annum from August 21, 2018, or from the most recent date to which interest had been paid or provided for to, but excluding, the next Interest Payment Date. Interest is payable semi-annually in arrears on February 15 and August 15 of each year (each, an “**Interest Payment Date**”), or if any such day is not a Business Day, the immediately following Business Day, commencing February 15, 2019. Interest on a Security shall be paid to the Holder of such Security at the close of business on February 1 and August 1 (each, a “**Record Date**”), as the case may be, next preceding the related Interest Payment Date, and shall be computed on the basis of a 360-day year comprised of twelve 30-day months. In the event of the maturity, conversion, or purchase of a Security by the Company at the option of the Holder, interest shall cease to accrue on such Security. The Company shall pay interest on the Final Maturity Date to Holders of record of a Security on the Record Date immediately preceding the Final Maturity Date regardless of whether such Holders convert their Securities.

(b) Upon conversion of a Security, (i) a Holder shall not receive any cash payment of interest (unless such conversion occurs between a Record Date and the Interest Payment Date to which it relates, in which case a Holder that was the Holder on the Record Date will receive on the Interest Payment Date accrued and unpaid interest) and the Conversion Rate shall not be adjusted to account for accrued and unpaid interest and (ii) except as set forth in clause (c) below, the Company’s delivery to a Holder of shares of Common Stock and cash, if any, into which the Security is convertible shall be deemed to satisfy its obligation to pay the principal amount of such Security and accrued and unpaid interest, if any, to but not including the Conversion Date with respect to such Security. Any accrued but unpaid interest shall be deemed to be paid in full upon conversion, rather than cancelled, extinguished or forfeited.

(c) Securities surrendered for conversion by a Holder after the close of business on any Record Date but prior to the corresponding Interest Payment Date must be accompanied by payment of an amount equal to the interest that will be payable on the Securities so converted on such Record Date; *provided*, however, that no such payment need be made (1) if the Company has specified a Fundamental Change Purchase Date that is after a Record Date and on or prior to the corresponding Interest Payment Date, (2) if the Company has specified a Redemption Date that is after a Record Date and on or prior to the Business Day immediately following the corresponding Interest Payment Date, (3) with respect to any Securities surrendered for conversion following the Record Date for the payment of interest immediately preceding the Final Maturity Date or (4) only to the extent of overdue interest, if any overdue interest exists at the time of conversion with respect to such Securities.

Section 5.02. Increased Conversion Rate Applicable to Certain Securities Surrendered in Connection with Make Whole Adjustment Events or in Connection with Redemption.

(a) Notwithstanding anything herein to the contrary, in the event a Holder elects to surrender its Securities for conversion in accordance with Article 6, (1) at any time from, and including, the Effective Date of a Make Whole Adjustment Event to, and including, the close of business on the Business Day immediately preceding the related purchase date, or (in the case of a Make Whole Adjustment Event that does not also constitute a Fundamental Change) the 40th Scheduled Trading Day immediately following the Effective Date of such Make Whole Adjustment Event (such period, the “**Make Whole Adjustment Event Period**”) or (2) at any time from, and including, the date on which a

Redemption Notice is delivered to Holders notifying such Holders of the Company's intention to redeem the Securities in whole or in part as provided in the first sentence of Section 3.01 on a Redemption Date prior to the Par Call Date to, and including, the close of business on the Business Day immediately preceding such Redemption Date (such period the "**Redemption Adjustment Event Period**"), the Company will increase the Conversion Rate for the Securities so surrendered for conversion by a number of additional shares of Common Stock (the "**Additional Shares**"), as described in this Section 5.02. For the avoidance of doubt, the delivery of a Redemption Notice notifying the Holders of the Company's intention to redeem the Securities in whole or in part on a Redemption Date on or following the Par Call Date as provided in the second sentence of Section 3.01 will not trigger an adjustment to the Conversion Rate pursuant to this Section 5.02 (regardless of whether the applicable Redemption Notice was delivered prior to, on or after the Par Call Date).

As used herein, a "**Make Whole Adjustment Event**" means (1) any Change in Control as defined in clauses (i), (ii) or (iii) of that term and (2) any Termination of Trading; *provided, however*, that an acquisition, consolidation, merger or binding share exchange or a sale, assignment, conveyance, transfer, lease or other disposition otherwise constituting a Change in Control will not constitute a Make Whole Adjustment Event if at least 90% of the consideration (excluding cash payments for fractional shares and cash payments pursuant to dissenters' appraisal rights) paid for the Common Stock in such transaction or transactions consists of shares of common stock traded on the New York Stock Exchange, The NASDAQ Global Select Market, The NASDAQ Global Market or The NASDAQ Capital Market (or any of their respective successors) (or which will be so traded immediately following the transaction or transactions) and as a result of such transaction or transactions the Securities become convertible into such shares of such common stock. Any event that would constitute a Change in Control pursuant to both clauses (i) and (ii) of that term shall be treated as constituting a Change in Control solely pursuant to clause (ii) for purposes of determining whether a Make Whole Adjustment Event has occurred.

The number of Additional Shares, if any, by which the Conversion Rate shall be increased for conversions in connection with a Make Whole Adjustment Event and conversions in connection with a redemption under the first sentence of Section 3.01 shall be determined by reference to the table below. For conversions in connection with a Make Whole Adjustment Event, the number of Additional Shares is based on an "Effective Date", which is the date on which the Make Whole Adjustment Event occurs or becomes effective, and a "Stock Price", which is either (1) the price paid or deemed paid per share of Common Stock in the Change in Control in the case of a Make Whole Adjustment Event described in clause (ii) of the definition of Change in Control in Section 4.01(a), in the event that the Common Stock is acquired for cash, or (2) the average of the Closing Sale Price of the Common Stock over the five consecutive Trading Day period ending on the Trading Day immediately preceding the Effective Date of such other Make Whole Adjustment Event, in the case of any other Make Whole Adjustment Event. For conversions in connection with a redemption under the first sentence of Section 3.01, the number of Additional Shares is based on an "Effective Date", which is the Conversion Date, and a "Stock Price", which is the average of the Closing Sale Price of the Common Stock over the five consecutive Trading Day period ending on the Trading Day immediately preceding the date of the relevant Redemption Notice.

In the event any conversion occurs during both a Make Whole Adjustment Event Period and a Redemption Adjustment Event Period, a Holder of Securities to be converted will be entitled only to a single increase in the Conversion Rate by a number of Additional Shares. A conversion of the Securities will be deemed for these purposes to be "in connection with" a Make Whole Adjustment Event if the Conversion Notice is received by the Conversion Agent during a Make Whole Adjustment Event Period. A conversion of the Securities will be deemed for these purposes to be "in connection with" a redemption under the first sentence of Section 3.01 if the Conversion Notice is received by the Conversion Agent during a Redemption Adjustment Event Period. In the event that a conversion is

deemed to be both “in connection with” a Make Whole Adjustment Event and “in connection with” a redemption under the first sentence of Section 3.01, the determination of the number of Additional Shares, if any, shall be made based upon a conversion “in connection with” a Make Whole Adjustment Event and not based upon a conversion “in connection with” a redemption under the first sentence of Section 3.01.

If the exact Stock Prices and Effective Dates are not set forth in the table, then: (i) if the Stock Price is between two Stock Price amounts in the table or the Effective Date is between two Effective Dates in the table, the Additional Shares to be issued upon conversion of the Securities shall be determined by a straight-line interpolation between the number of Additional Shares set forth for the higher and lower Stock Price amounts and the two Effective Dates in the table, based on a 365-day year; (ii) if the Stock Price exceeds \$25.00 per share, subject to adjustment as set forth herein, no Additional Shares shall be issued upon conversion of the Securities; and (iii) if the Stock Price is less than \$4.20 per share, subject to adjustment as set forth herein, no Additional Shares shall be issued upon conversion of the Securities.

Notwithstanding the foregoing, in no event will the total number of shares of Common Stock issuable upon conversion exceed 238.0953 shares per \$1,000 principal amount of Securities, subject to adjustments for the same events for which the Conversion Price is adjusted and pursuant to the inverse adjustment factor applied in such Conversion Price adjustment pursuant to Section 6.06.

As soon as practicable after the Company determines the anticipated Effective Date of any proposed Make Whole Adjustment Event, the Company shall mail to each Holder, the Trustee and the Conversion Agent written notice of, and shall use commercially reasonable efforts to give such notice not more than 70 Scheduled Trading Days nor less than 40 Scheduled Trading Days in advance of such anticipated Effective Date. The Company shall also issue a press release announcing the anticipated Effective Date (and make such press release available on the Company’s website). Each such notice and press release shall also state that in connection with such Make Whole Adjustment Event, the Company shall increase, in accordance herewith, the Conversion Rate applicable to Securities entitled to such increase as provided herein (along with a description of how such increase shall be calculated and the time periods during which Securities must be surrendered in order to be entitled to such increase).

Section 5.03. Adjustments Relating to Make Whole Adjustment Event.

Whenever the Conversion Price shall be adjusted from time to time by the Company pursuant to Section 6.06, each Stock Price set forth in the table under the row titled “Stock Price” in the table in Section 5.02(a) shall be adjusted in the same manner in which, at the same time and for the same events for which, the Conversion Price is to be so adjusted. The Stock Prices in the table in Section 5.02(a) will be adjusted by the same adjustment factor applied to the Conversion Price pursuant to Section 6.06 and the number of additional shares by which the Conversion Rate will be increased will be adjusted by the inverse of that adjustment factor.

ARTICLE 6

CONVERSION

Section 6.01. Conversion Privilege. Subject to the further provisions of this Article 6 and paragraph 7 of the Securities, a Holder of a Security may convert the principal amount of such Security (or any portion thereof equal to \$1,000 or any integral multiple of \$1,000 in excess thereof) into shares of Common Stock at any time prior to the close of business on the Business Day immediately preceding the Final Maturity Date, at the Conversion Price then in effect.

Provisions of this Indenture that apply to conversion of all of a Security also apply to conversion of a portion of a Security.

A Security in respect of which a Holder has delivered a Fundamental Change Purchase Notice pursuant to Section 4.01(c) exercising the option of such Holder to require the Company to purchase such Security may be converted only if such Fundamental Change Purchase Notice is withdrawn by a written notice of withdrawal delivered to a Paying Agent prior to 5:00 p.m., New York City time, on the Business Day immediately preceding the Fundamental Change Purchase Date in accordance with Section 4.02.

A Holder of Securities is not entitled to any rights of a holder of Common Stock until such Holder has converted its Securities and only to the extent such Securities are deemed to have been converted into Common Stock pursuant to this Article 6.

Section 6.02. Conversion Procedure.

The right to convert any Security may be exercised (a) if such Security is represented by a Global Security, by book-entry transfer to the Conversion Agent through the facilities of the Depository in accordance with the Applicable Procedures, and, if required, by payment of any tax or duty, in accordance with Section 6.04, that may be payable in respect of any transfer involving the issue or delivery of the Common Stock in the name of Person other than the Holder of the Security, or (b) if such Security is represented by a Definitive Security, by delivery of such Security at the specified office of the Conversion Agent, accompanied by: (i) a completed and manually signed conversion notice, in the form as set forth on the reverse of Security attached hereto as Exhibit A (a “**Conversion Notice**”); (ii) if such Definitive Security has been lost, stolen, destroyed or mutilated, a notice to the Registrar in accordance with Section 2.08 of the Base Indenture regarding the loss, theft, destruction or mutilation of the Security; (iii) appropriate endorsements and transfer documents if required by the Registrar or Conversion Agent; and (iv) payment of any tax or duty, in accordance with Section 6.04, which may be payable in respect of any transfer involving the issue or delivery of the Common Stock in the name of a Person other than the Holder of the Security. The “**Conversion Date**” shall be the Business Day on which the Holder satisfies all of the requirements set forth in the immediately preceding sentence. On the Settlement Date, subject to Section 6.05, the Company shall deliver to the Holder through a Conversion Agent a certificate for the number of whole shares of Common Stock issuable upon the conversion and cash in an amount payable upon conversion in lieu of any fractional shares pursuant to Section 6.03.

Securities that are validly surrendered for conversion in accordance with the terms of this Indenture will be deemed to have been converted immediately prior to the close of business on the Conversion Date. The person in whose name the Common Stock certificate is registered shall be deemed to be a stockholder of record as of the last Trading Day prior to the Conversion Date; *provided, however*, that if the related Conversion Date or such last Trading Day prior to the Conversion Date occurs on any date when the stock transfer books of the Company shall be closed, such occurrence shall not be effective

to constitute the person or persons entitled to receive any such shares of Common Stock due upon conversion as the record holder or holders of such shares of Common Stock on such date, but such occurrence shall be effective to constitute the person or persons entitled to receive such shares of Common Stock as the record holder or holders thereof for all purposes at the close of business on the next succeeding day on which such stock transfer books are open. Upon conversion of Securities, such person shall no longer be a Holder.

Upon surrender of a Security that is converted in part, the Company shall execute, and the Trustee shall authenticate and deliver to the Holder, a new Security equal in principal amount to the unconverted portion of the Security surrendered.

No Conversion Notice with respect to any Securities may be given by a Holder thereof if such Holder has also delivered a Fundamental Change Purchase Notice to the Company in respect of such Securities and not validly withdrawn such Fundamental Change Purchase Notice in accordance with Section 4.02, unless the Company defaults in the payment of the Fundamental Change Purchase Price.

Except as provided below, the Company shall pay or deliver the shares of Common Stock deliverable upon conversion of a Security (the “**Conversion Obligation**”), through the Conversion Agent on the Settlement Date; *provided*, that if prior to the relevant Conversion Date, the Common Stock has been replaced by Reference Property consisting solely of cash, pursuant to Section 6.12, the Company shall pay such cash on the third Trading Day immediately following the relevant Conversion Date. Notwithstanding the foregoing, if any information required to calculate the Conversion Obligation is not available as of the applicable Settlement Date, the Company will deliver the Conversion Obligation on the third Trading Day after the earliest Trading Day on which such calculation can be made (but in no event later than February 15, 2022 (the date that is six months following the Final Maturity Date)). If application of the proviso to the first sentence of this paragraph would result in settlement of a conversion during the 10 Trading Days immediately following the effective date of a Fundamental Change, the Settlement Date will instead be the 10th Trading Day following the relevant effective date. If any shares of Common Stock are due to a converting Holder, the Company shall issue or cause to be issued, and deliver to the Conversion Agent or to such Holder, or such Holder’s nominee or nominees, certificates or a book-entry transfer through the Depository for the number of full shares of Common Stock to which such Holder shall be entitled in satisfaction of such Conversion Obligation.

Section 6.03. Fractional Shares.

The Company will not issue fractional shares of Common Stock upon conversion of a Security. Instead, the Company will pay, in lieu of any fractional shares, an amount in cash determined by multiplying the Closing Sale Price of a full share of Common Stock on the last Trading Day prior to the Conversion Date by the fractional amount and rounding the product to the nearest whole cent. Whether fractional shares are issuable upon a conversion will be determined on the basis of the aggregate principal amount of Securities that the Holder is then converting into shares of Common Stock and the aggregate number of shares of Common Stock issuable upon such conversion.

Section 6.04. Taxes on Conversion.

If a Holder converts a Security, the Company shall pay any documentary, stamp or similar issue or transfer tax due on the issue of shares of Common Stock upon such conversion; *provided, however*, that the Holder shall pay any such tax which is due because the Holder requests the shares to be issued in a name other than the Holder’s name. The Conversion Agent may refuse to deliver the certificate representing the Common Stock being issued in a name other than the Holder’s name until the Conversion Agent receives a sum sufficient to pay any tax which will be due because the shares are to be

issued in a name other than the Holder's name. Nothing herein shall preclude any tax withholding required by law or regulation.

Section 6.05. Settlement Upon Conversion.

(a) Subject to Section 6.01, a Holder upon conversion will receive a number of shares of Common Stock equal to (1) the aggregate principal amount of Securities to be converted divided by \$1,000, multiplied by (2) the applicable Conversion Rate.

(b) The Company shall, prior to the issuance of any Securities hereunder, and from time to time as may be necessary, reserve at all times and keep available, free from preemptive rights, out of its authorized but unissued Common Stock, a sufficient number of shares of Common Stock deliverable upon conversion of all of the Securities.

(c) All shares of Common Stock that may be issued upon conversion of the Securities shall be newly issued shares, shall be duly authorized, validly issued, fully paid and nonassessable and shall be free of any preemptive rights and free of any lien or adverse claim.

(d) The Company shall endeavor to comply with all applicable securities laws regulating the offer and delivery of any Common Stock upon conversion of Securities and shall list or cause to have quoted such shares of Common Stock on each national securities exchange, including the NYSE, or over-the-counter market or such other market on which the Common Stock is then listed or quoted; *provided, however*, that if the rules of such automated quotation system or exchange permit the Company to defer the listing of such Common Stock until the first conversion of the Securities into Common Stock in accordance with the provisions of this Indenture, the Company covenants to list such Common Stock issuable upon conversion of the Securities in accordance with the requirements of such automated quotation system or exchange at such time. Any Common Stock issued upon conversion of a Security hereunder which at the time of conversion was a "restricted security" (as defined in Rule 144 under the Securities Act) shall also be a restricted security.

(e) Notwithstanding anything herein to the contrary, nothing herein shall give to any Holder any rights as a creditor in respect of its right to conversion.

Section 6.06. Adjustment of Conversion Price.

The conversion price per share of Common Stock as stated in paragraph 7 of the Securities (the "**Conversion Price**") shall be adjusted from time to time by the Company as follows:

(a) If the Company issues solely shares of Common Stock as a dividend or distribution on all or substantially all of the shares of Common Stock, or if the Company subdivides or combines the outstanding shares of Common Stock, the applicable Conversion Price will be adjusted based on the following formula:

$$CP = \frac{CP0 \times OS0}{OS}$$

where

CP0 = the Conversion Price in effect immediately prior to the open of business on the Ex-Dividend Date for such dividend or distribution, or immediately prior to the open of

business on the effective date of such subdivision or combination of Common Stock, as the case may be;

CP = the Conversion Price in effect immediately after the open of business on the Ex-Dividend Date for such dividend or distribution, or immediately after the open of business on the effective date of such subdivision or combination of Common Stock, as the case may be;

OS0 = the number of shares of Common Stock outstanding immediately prior to the open of business on the Ex-Dividend Date for such dividend or distribution, or immediately prior to the open of business on the effective date of such subdivision or combination of Common Stock, as the case may be; and

OS = the number of shares of Common Stock outstanding immediately after such dividend or distribution, or immediately after the effective date of such subdivision or combination of Common Stock, as the case may be.

Such adjustment shall become effective immediately after the opening of business on the Ex-Dividend Date for such dividend or distribution, or the effective date for such subdivision or combination of Common Stock. If any dividend or distribution of the type described in this Section 6.06(a) is declared but not so paid or made, or the outstanding shares of Common Stock are not split or combined, as the case may be, the Conversion Price shall be immediately readjusted, effective as of the date the Board of Directors determines not to pay such dividend or distribution, or subdivide or combine the outstanding shares of Common Stock, as the case may be, to the Conversion Price that would then be in effect if such dividend, distribution, subdivision or combination of Common Stock had not been declared or announced.

(b) If the Company distributes to all or substantially all holders of its Common Stock any rights, options or warrants entitling them for a period of not more than 60 calendar days from the record date for such distribution to subscribe for or purchase shares of the Common Stock (or securities convertible into Common Stock), at a price per share (or a conversion price per share) less than the average of the Closing Sale Prices of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution, the Conversion Price shall be decreased based on the following formula:

$$CP = CP0 \times \frac{OS0 + Y}{OS0 + X}$$

where

CP0 = the Conversion Price in effect immediately prior to the open of business on the Ex-Dividend Date for such distribution;

CP = the Conversion Price in effect immediately after the open of business on the Ex-Dividend Date for such distribution;

OS0 = the number of shares of the Common Stock that are outstanding immediately prior to the open of business on the Ex-Dividend Date for such distribution;

X = the total number of shares of the Common Stock issuable pursuant to such rights, options or warrants; and

Y = the number of shares of the Common Stock equal to the aggregate price payable to exercise such rights, options or warrants, divided by the average of the Closing Sale Prices of Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date relating to such distribution.

Such adjustment shall be successively made whenever any such rights, options or warrants are distributed and shall become effective immediately after the opening of business on the Ex-Dividend Date for such distribution. To the extent that shares of the Common Stock are not delivered after the expiration of such rights, options or warrants, the Conversion Price shall be readjusted to the Conversion Price that would then be in effect had the adjustments made upon the issuance of such rights, options or warrants been made on the basis of delivery of only the number of shares of Common Stock actually delivered. If such rights, options or warrants are not so issued, the Conversion Price shall again be adjusted to be the Conversion Price that would then be in effect if such Ex-Dividend Date for such distribution had not been fixed.

For purposes of this Section 6.06(b), in determining whether any rights, options or warrants entitle the holders to subscribe for or purchase shares of the Common Stock at less than the average of the Closing Sale Prices of the Common Stock for each Trading Day in the applicable 10-consecutive Trading Day period, there shall be taken into account any consideration received by the Company for such rights, options or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the Board of Directors. In no event shall the Conversion Price be increased pursuant to this Section 6.06(b).

(c) If the Company shall distribute shares of its Capital Stock, evidences of its indebtedness or other of its assets or property to all or substantially all holders of its Common Stock (other than (i) dividends or distributions (including subdivision of Common Stock) covered by Section 6.06(a) or Section 6.06(b), (ii) dividends or distributions paid exclusively in cash covered by Section 6.06(d) or (e), (iii) Spin-Offs to which the provisions set forth below in this Section 6.06(c) shall apply, and (iv) distributions of rights to all or substantially all holders of Common Stock pursuant to the adoption of a shareholder rights plan), then, in each such case the Conversion Price shall be decreased based on the following formula:

$$CP = CP0 \times \frac{SP0 - FMV}{SP0}$$

where

CP0 = the Conversion Price in effect immediately prior to the open of business on the Ex-Dividend Date for such distribution;

CP = the Conversion Price in effect immediately after the open of business on the Ex-Dividend Date for such distribution.

SP0 = the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution; and

FMV = the fair market value (as determined by the Board of Directors) of the shares of Capital Stock, evidences of indebtedness, assets or property distributed with respect to each

outstanding share of the Common Stock as of the open of business on the Ex-Dividend Date for such distribution.

If the then-fair market value of the portion of the shares of Capital Stock, evidences of indebtedness or other assets or property so distributed applicable to one share of Common Stock is equal to or greater than the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on the Trading Day immediately preceding the Ex-Dividend Date for such distribution, in lieu of the foregoing adjustment, adequate provisions shall be made so that each Holder of a Security shall have the right to receive on conversion in respect of each Security held by such Holder, in addition to the number of shares of Common Stock to which such Holder is entitled to receive, the amount and kind of securities and assets such Holder would have received had such Holder already owned a number of shares of Common Stock equal to the Conversion Rate immediately prior to the record date for the distribution of the securities or assets.

With respect to an adjustment pursuant to this Section 6.06(c) where there has been a dividend or other distribution on the Common Stock of shares of Capital Stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Company (a “Spin-Off”), the Conversion Price will be decreased based on the following formula:

$$CP = CP0 \times \frac{MP0}{FMV + MP0}$$

where

CP0 = the Conversion Price in effect immediately prior to the open of business on the Ex-Dividend Date for the Spin-Off;

CP = the Conversion Price in effect immediately after the open of business on the Ex-Dividend Date for the Spin-Off;

FMV = the average of the Closing Sale Prices of the Capital Stock or similar equity interests distributed to holders of the Common Stock applicable to one share of the Common Stock over the first 10 consecutive Trading Day period immediately following, and including, the Ex-Dividend Date for the Spin-Off (such period, the “Valuation Period”), and

MP0 = the average of the Closing Sale Prices of the Common Stock over the Valuation Period.

The adjustment to the Conversion Price under the preceding paragraph of this Section 6.06(c) shall be made immediately after the open of business on the day after the last day of the Valuation Period, but shall become effective as of the open of business on the Ex-Dividend Date for the Spin-Off. If the Ex-Dividend Date for the Spin-Off is less than 10 Trading Days prior to, and including, the Conversion Date in respect of any conversion, references within this Section 6.06(c) to 10 Trading Days shall be deemed replaced, for purposes of calculating the affected daily Conversion Prices in respect of that conversion, with such lesser number of Trading Days as have elapsed from, and including, the Ex-Dividend Date for the Spin-Off to, and including, the last Trading Day prior to the Conversion Date. For purposes of determining the Conversion Price, in respect of any conversion during the 10 Trading Days commencing on the Ex-Dividend Date of any Spin-Off, references in the portion of this Section 6.06(c) related to Spin-Offs to 10 Trading Days shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Ex-Dividend Date for such Spin-Off to, but excluding, the Conversion Date for such conversion.

For purposes of this Section 6.06(c), Section 6.06(a) and Section 6.06(b), any dividend or distribution to which this Section 6.06(c) is applicable that also includes shares of Common Stock, or rights, options or warrants to subscribe for or purchase shares of Common Stock to which Section 6.06(a) or Section 6.06(b) applies (or both), shall be deemed instead to be (1) a dividend or distribution of the evidences of indebtedness, assets or shares of Capital Stock other than such shares of Common Stock or rights, options or warrants to which this Section 6.06(c) applies (and any Conversion Price adjustment required by this Section 6.06(c) with respect to such dividend or distribution shall then be made) immediately followed by (2) a dividend or distribution of such shares of Common Stock or such rights, options or warrants (and any further Conversion Price adjustment required by Section 6.06(a) and Section 6.06(b) with respect to such dividend or distribution shall then be made), except (A) the Ex-Dividend Date of such dividend or distribution shall be substituted as “the Ex-Dividend Date,” “the Ex-Dividend Date relating to such distribution of such rights, options or warrants” and “the Ex-Dividend Date for such distribution” within the meaning of Section 6.06(a) and Section 6.06(b) and (B) any shares of Common Stock included in such dividend or distribution shall not be deemed “outstanding immediately prior to the Ex-Dividend Date for such dividend or distribution, or the effective date of such share split or share combination, as the case may be” within the meaning of Section 6.06(a) or “outstanding immediately prior to the Ex-Dividend Date for such dividend or distribution” within the meaning of Section 6.06(b).

In no event shall the Conversion Price be increased pursuant to this Section 6.06(c).

(d) If the Company makes or pays any cash dividend or distribution to all or substantially all holders of its outstanding Common Stock (other than (i) distributions pursuant to Section 6.06(e) and (ii) any dividend or distribution in connection with the liquidation, dissolution or winding up of the Company), the applicable Conversion Price shall be decreased based on the following formula:

$$CP = CP0 \times \frac{SP0 - C}{SP0}$$

where

CP0 = the Conversion Price in effect immediately prior to the open of business on the Ex-Dividend Date for such dividend or distribution;

CP = the Conversion Rate in effect immediately after the open of business on the Ex-Dividend Date for such dividend or distribution;

SP0 = the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution; and

C = the amount in cash per share the Company pays or distributes to holders of its Common Stock.

If any dividend or distribution described in this Section 6.06(d) is declared but not so paid or made, the Conversion Price shall again be adjusted to be the Conversion Price that would then be in effect if such dividend or distribution had not been declared. For the avoidance of doubt, the Conversion Price shall be adjusted pursuant to this Section 6.06(d) in respect of any cash dividend or distribution paid or made on or after the date of this Indenture, even if announced or having a record date prior to the date of this Indenture.

For the avoidance of doubt, for purposes of this Section 6.06(d), in the event of any reclassification of the Common Stock, as a result of which the Securities become convertible into more than one class of Common Stock, if an adjustment to the Conversion Price is required pursuant to this Section 6.06(d), references in this Section to one share of Common Stock or Closing Sale Prices of one share of Common Stock shall be deemed to refer to a unit or to the price of a unit consisting of the number of shares of each class of Common Stock into which the Securities are then convertible equal to the number of shares of such class issued in respect of one share of Common Stock in such reclassification. The above provisions of this paragraph shall similarly apply to successive reclassifications.

In no event shall the Conversion Price be increased pursuant to this Section 6.06(d).

(e) If the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for the Common Stock and if the cash and value of any other consideration included in the payment per share of the Common Stock exceeds the average of the Closing Sale Prices of the Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer (the “**Expiration Date**”), the Conversion Price shall be decreased based on the following formula:

$$CP = CP0 \times \frac{OS0 \times SP}{AC + (OS \times SP)}$$

where

- CP0 = the Conversion Price in effect immediately prior to the open of business on the Trading Day next succeeding the Expiration Date;
- CP = the Conversion Price in effect immediately after the open of business on the Trading Day next succeeding the Expiration Date;
- AC = the aggregate value of all cash and any other consideration (as determined by the Board of Directors) paid or payable for shares of Common Stock purchased in such tender or exchange offer;
- OS0 = the number of shares of Common Stock outstanding immediately prior to the time (the “Expiration Time”) such tender or exchange offer expires (prior to giving effect to such tender offer or exchange offer);
- OS = the number of shares of Common Stock outstanding immediately after the Expiration Time (after giving effect to such tender offer or exchange offer); and
- SP = the average of the Closing Sale Prices of Common Stock over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the Expiration Date.

Such adjustment under this Section 6.06(e) shall become effective at the opening of business on the Trading Day next succeeding the Expiration Date. If the Trading Day next succeeding the Expiration Date is less than 10 Trading Days prior to, and including, the Conversion Date in respect of any conversion, references within this Section 6.06(e) to 10 Trading Days shall be deemed replaced, for purposes of calculating the affected daily Conversion Prices in respect of that conversion, with such lesser number of

Trading Days as have elapsed from, and including, the Trading Day next succeeding the Expiration Date to, and including, the last Trading Day prior to the Conversion Date. For purposes of determining the Conversion Price, in respect of any conversion during the 10 Trading Days commencing on the Trading Day next succeeding the Expiration Date, references within this Section 6.06(e) to 10 Trading Days shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Trading Day next succeeding the Expiration Date to, but excluding, the Conversion Date for such conversion. If the Company is obligated to purchase shares pursuant to any such tender or exchange offer, but the Company is permanently prevented by applicable law from effecting any or all or any portion of such purchases or all such purchases are rescinded, the Conversion Rate shall again be adjusted to be the Conversion Rate that would then be in effect if such tender or exchange offer had not been made or had been made only in respect of the purchases that had been effected. In no event shall the Conversion Price be increased pursuant to this Section 6.06(e).

(f) [Reserved]

(g) If, in respect of any Trading Day prior to the Conversion Date for a converted Security:

(i) any event that requires an adjustment to the Conversion Price under any of clauses (a), (b), (c), (d) and (e) of this Section 6.06 that would require adjustment thereunder has not yet resulted in an adjustment to the Conversion Price as of such Trading Day; and

(ii) the shares of Common Stock the Holder of such Security shall receive in respect of such Trading Day are not entitled to participate in the distribution or transaction giving rise to such adjustment event because, pursuant to the terms of the second paragraph of Section 6.02, such shares were not held by such Holder on the record date corresponding to such distribution or transaction,

then the Company will adjust the number of shares of Common Stock deliverable for such Trading Day to reflect the relevant distribution or transaction.

Section 6.07. No Adjustment.

All calculations and other determinations under this Article 6 shall be made by the Company and shall be made to the nearest one-ten thousandth (1/10,000) of a share. No adjustment in the Conversion Price shall be required unless the adjustment would require an increase or decrease of at least 1% in the Conversion Price as last adjusted; *provided, however*, the Company shall carry forward any adjustments that are less than 1% of the Conversion Rate and make such carried forward adjustments, regardless of whether the aggregate adjustment is less than 1%, (i) upon any conversion of Securities, (ii) upon any required repurchase of Securities in connection with a Fundamental Change, and (iii) on each of the 27 Scheduled Trading Days immediately preceding the Final Maturity Date.

Except as otherwise provided herein, no adjustment need be made:

(a) upon the issuance of any shares of the Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of the Common Stock under any plan;

(b) upon the issuance of any shares of the Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of, or assumed by, the Company or any of the Company's Subsidiaries;

(c) upon the issuance of any shares of the Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security not described in clause (b) of this subsection and outstanding as of the date the Securities were first issued; or

(d) for accrued and unpaid interest, if any.

Except as set forth in this Article 6, the Company shall not adjust the Conversion Price. The Company shall not be obligated to adjust the Conversion Price in or for any transaction in which Holders will participate without conversion of the Securities.

To the extent that the Securities become convertible into the right to receive cash, no adjustment need be made thereafter as to the cash. Interest will not accrue on the cash.

Section 6.08. Adjustment for Tax Purposes.

The Company shall be entitled to (but is not required to) make such reductions in the Conversion Price, in addition to those required by Section 6.06, as it in its discretion shall determine to be advisable in order to avoid or diminish any tax to holders of Common Stock (or holders of rights to purchase Common Stock) in connection with any stock dividends, subdivisions of shares, distributions of rights to purchase stock or securities or distributions of securities convertible into or exchangeable for stock (or rights to acquire such securities) hereafter made by the Company to its stockholders; *provided* the Company shall not take any action that would result in an adjustment to the Conversion Price in such a manner as to result in the reduction of the Conversion Price to less than the par value per share of the Common Stock.

Section 6.09. Notice of Conversion and Notice of Adjustment.

Whenever the Conversion Price is adjusted, the Company shall promptly deliver to the Conversion Agent an Officers' Certificate setting forth the Conversion Price, detailing the calculation of the Conversion Price and briefly stating the facts upon which the adjustment is based. In addition, the Company will issue a press release containing such information and make such press release available on its website.

Unless and until the Trustee and Conversion Agent shall receive an Officers' Certificate setting forth an adjustment of the Conversion Price, the Trustee and Conversion Agent may assume without inquiry that the Conversion Price has not been adjusted and that the last Conversion Price of which it has knowledge remains in effect.

Section 6.10. Notice of Certain Transactions.

In the event that:

(1) the Company takes any action which requires an adjustment in the Conversion Price;

(2) the Company consolidates or merges with, or transfers all or substantially all of its property and assets to, another corporation and shareholders of the Company must approve the transaction; or

(3) there is a dissolution or liquidation of the Company;

the Company shall mail to Holders and file with the Trustee and the Conversion Agent a notice stating the proposed record or effective date, as the case may be. The Company shall use commercially reasonable efforts to mail the notice at least 30 Business Days before such date and, in any event, as promptly as practicable thereafter and in no event less than 10 days prior to such event. Failure to mail such notice or any defect therein shall not affect the validity of any transaction referred to in clause (1), (2) or (3) of this Section 6.10.

Section 6.11. Stockholder Rights Plans.

To the extent that the Company has a stockholder rights plan or other “poison pill” in effect upon conversion of the Securities, each share of Common Stock, if any, issued upon such conversion shall be entitled to receive the appropriate number of rights, if any, and the certificates representing the Common Stock issued upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of any such stockholder rights plan or poison pill, as the same may be amended from time to time. If, however, prior to the time of conversion, the rights provided by such stockholder rights plan or poison pill have separated from the shares of Common Stock in accordance with the provisions of the applicable stockholder rights agreement so that the Holders of the Securities would not be entitled to receive any rights in respect of Common Stock, if any, issuable upon conversion of the Securities, the Conversion Rate will be adjusted at the time of separation as if the Company has distributed to all holders of Common Stock, shares of Capital Stock of the Company, evidences of indebtedness or other assets as provided in Section 6.06(c), subject to readjustment in the event of the expiration, termination or redemption of such rights.

Section 6.12. Effect of Reclassification, Consolidation, Merger or Sale on Conversion Privilege.

If any of the following shall occur, namely: (i) any reclassification or change of shares of Common Stock issuable upon conversion of the Securities (other than a change in par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination, or any other change for which an adjustment is provided in Section 6.06); (ii) any consolidation, merger or binding share exchange involving the Company; or (iii) any sale, assignment, conveyance, transfer, lease or other disposition to another person of the Company’s property and assets as an entirety or substantially as an entirety, in each case as a result of which holders of Common Stock shall be entitled to receive cash, securities or other property with respect to or in exchange for such Common Stock (any such event a “**Merger Event**”), then:

(a) the Company, or such successor purchasing Person, as the case may be, shall, as a condition precedent to such Merger Event, execute and deliver to the Trustee a supplemental indenture (which shall comply with the TIA as in force at the date of execution of such supplemental indenture if such supplemental indenture is then required to so comply) providing that Holders shall be entitled thereafter to convert their Securities into the type and amount of shares of stock, other securities or other property or assets (including cash or any combination thereof) that a holder of a number of shares of the Common Stock equal to the Conversion Rate immediately prior to such Merger Event would have owned or been entitled to receive (the “**Reference Property**”) upon such Merger Event; *provided that*, at and after the effective time of any such Merger Event, any amount otherwise payable in cash upon conversion of the Securities shall continue to be payable as provided in Section 6.05, including the Company’s right to determine the form of consideration as provided therein. For purposes of this Article 6, if the Common Stock has been replaced by Reference Property as a result of any transaction described in this Section 6.12(a), references to the Common Stock shall refer to such Reference Property.

(b) In the event the Company shall execute a supplemental indenture pursuant to this Section 6.12, the Company shall promptly file with the Trustee (x) an Officers' Certificate briefly describing the Merger Event, the kind or amount of shares of stock or other securities or property (including cash) that will comprise the Reference Property after any such Merger Event, any adjustment to be made with respect thereto and stating that all conditions precedent have been complied with and (y) an Opinion of Counsel that all conditions precedent have been complied with. Any failure to deliver such Officers' Certificate shall not affect the legality or validity of such supplemental indenture.

(c) With respect to each \$1,000 principal amount of Securities surrendered for conversion after the effective date of any such Merger Event in lieu of cash and shares of Common Stock, if any, otherwise provided for hereunder, the Company shall deliver to the converting Holder a number of units of Reference Property (each such unit comprised of the kind and amount of shares of stock, securities or other property or assets (including cash or any combination thereof) that a holder of one share of Common Stock immediately prior to such Merger Event would have owned or been entitled to receive based on the Weighted Average Consideration) equal to (1) the aggregate principal amount of Securities to be converted, divided by \$1,000, multiplied by (2) the then-applicable Conversion Rate.

- (i) The Company will deliver the cash in lieu of fractional units of Reference Property as set forth pursuant to Section 6.03 (provided that the amount of such cash shall be determined as if references in such Section to "the Closing Sale Price" were instead a reference to "the Closing Sale Price of a unit of Reference Property" composed of the type and amount of shares of stock, securities or other property or assets (including cash or any combination thereof) that a holder of one share of Common Stock immediately prior to such Merger Event would have owned or been entitled to receive based on the Weighted Average Consideration).
- (ii) For purposes of this Section 6.12, the "Weighted Average Consideration" means the weighted average of the types and amounts of consideration received by the holders of the Common Stock entitled to receive cash, securities or other property or assets with respect to or in exchange for such Common Stock in any Merger Event who affirmatively make such an election; provided that, if the types and amounts of consideration that holders of the Common Stock would be entitled to receive with respect to or in exchange for such Common Stock is based in part upon any form of stockholder election, the "Weighted Average Consideration" will be deemed to be (A) if holders of the majority of the shares of Common Stock affirmatively make such an election, the weighted average of the types and amounts of consideration received by the holders of the Common Stock that affirmatively make such an election or (B) if the holders of a majority of the shares of Common Stock do not affirmatively make such an election, the types and amount of consideration actually received by such holders.
- (iii) The Company shall notify the Holders of the Weighted Average Consideration as soon as practicable after the Weighted Average Consideration is determined.
- (iv) The above provisions of this Section shall similarly apply to successive Merger Events.

Promptly following the effective time of any such Merger Event, the Company shall notify the Trustee and the Conversion Agent and issue a press release describing the type or amount of cash, securities,

property or other assets that will comprise the Reference Property after any such Merger Event (and shall make the press release available on its website).

Section 6.13. Trustee's Disclaimer.

The Trustee and the Conversion Agent shall have no duty to determine when an adjustment under this Article 6 should be made, how it should be made or what such adjustment should be, but may accept as conclusive evidence of that fact or the correctness of any such adjustment, and shall be protected in relying upon, an Officers' Certificate, including the Officers' Certificate with respect thereto which the Company is obligated to file with the Trustee pursuant to Section 6.09. Neither the Trustee nor the Conversion Agent makes any representation as to the validity or value of any securities or assets issued upon conversion of Securities, and the Trustee and the Conversion Agent shall not be responsible for the Company's failure to comply with any provisions of this Article 6.

The Trustee shall not be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture executed pursuant to Section 6.12, but may accept as conclusive evidence of the correctness thereof, and shall be fully protected in relying upon, the Officers' Certificate with respect thereto which the Company is obligated to file with the Trustee pursuant to Section 6.12.

Section 6.14. Voluntary Reduction.

The Company from time to time may reduce the Conversion Price by any amount for any period of time if the period is at least 20 Business Days and if the reduction is irrevocable during the period and the Board of Directors determines that such reduction would be in the best interest of the Company. The Company shall provide at least 15 days' prior notice of any reduction in the Conversion Price; *provided, however*, in no event may the Company reduce the Conversion Price to be less than the par value per share of Common Stock.

Section 6.15. Shelf Registration Statement.

(a) In the event that the Company intends to file a shelf registration statement registering the resale of the shares of Common Stock issuable upon conversion of the Securities for which the beneficial owners of the Securities have timely delivered a completed Notice and Questionnaire (and other information that may be required to be delivered to the Company) to the Company in accordance with this Section 6.15 (a "**Shelf Registration Statement**"), the Company shall deliver to the Trustee and the Holders notice of the anticipated filing date of the Shelf Registration Statement at least 15 Business Days prior to such anticipated filing date. Each beneficial owner of the Securities, in order to be named in the Shelf Registration Statement at the time of its initial effectiveness, will be required to deliver a Notice and Questionnaire to the Company at least eight Business Days prior to the anticipated filing date of the Shelf Registration Statement as set forth in the notice described in the immediately preceding sentence. If a beneficial owner of the Securities does not timely complete and deliver a Notice and Questionnaire or provide the other information the Company may reasonably request in writing, that beneficial owner will not be named as a selling securityholder in the prospectus included in the Shelf Registration Statement and will not be permitted to sell shares of Common Stock received pursuant to Section 6.05 hereof under the Shelf Registration Statement. From and after the initial effective date of the Shelf Registration Statement until 10 days after the initial effective date of the Shelf Registration Statement, the Company shall use its commercially reasonable efforts, as promptly as is practicable after the date a Notice and Questionnaire is delivered to the Company, (i) if required by applicable law, to file with the SEC a post-effective amendment to the Shelf Registration Statement or to prepare and, if permitted or required by applicable law, to file a supplement to the prospectus included in the Shelf Registration Statement or an

amendment or supplement to any document incorporated therein by reference or file any other required document so that the beneficial owner of the Securities delivering such Notice and Questionnaire is named as a selling securityholder in the Shelf Registration Statement and the related prospectus, and so that such beneficial owner is permitted to deliver such prospectus to purchasers of the Common Stock received pursuant to Section 6.05 hereof in accordance with applicable law (provided that the Company shall not be required to file more than two such supplements or post-effective amendments) and, if the Company shall file a post-effective amendment to the Shelf Registration Statement, use its commercially reasonable efforts to cause such post-effective amendment to be declared effective under the Securities Act as promptly as is practicable; (ii) provide such beneficial owner, upon request, copies of any documents filed pursuant to Section 6.15(a)(i) hereof; and (iii) notify such beneficial owner as promptly as practicable after the effectiveness under the Securities Act of any post-effective amendment filed pursuant to Section 6.15(a)(i) hereof; provided that if such Notice and Questionnaire is delivered during a Deferral Period, the Company shall so inform the beneficial owner delivering such Notice and Questionnaire and shall take the actions set forth in clauses (i), (ii) and (iii) above upon expiration of the Deferral Period. Notwithstanding anything contained herein to the contrary, the Company shall be under no obligation to name any beneficial owner of Securities that has not delivered a Notice and Questionnaire to the Company as a selling securityholder in the Shelf Registration Statement or related prospectus. The Company may require each beneficial owner of Securities, the underlying shares of Common Stock of which is to be permitted to be sold pursuant to the Shelf Registration Statement, to furnish to the Company such information regarding the beneficial owner and the distribution of such shares of Common Stock as the Company may from time to time reasonably require for inclusion in the Shelf Registration Statement. The Company may exclude from the Shelf Registration Statement such shares of Common Stock of any beneficial owner of Securities that unreasonably fails to furnish such information within a reasonable time after receiving such request. In the event that the Shelf Registration Statement becomes effective or is declared effective by the SEC, as the case may be, and the Company exercises its right to redeem the Securities pursuant to Section 3.01, the Company shall use its commercially reasonable efforts to keep the Shelf Registration Statement continuously effective, supplemented and amended as required by the Securities Act in order to permit the prospectus forming part thereof to be usable by the selling securityholders named therein for a period (the “**Shelf Registration Period**”) initially equal to the period specified in Section 3.09(b)(i)(2); *provided* that the Shelf Registration Period shall be extended by the number of days in any Deferral Period (*provided further* that no such extension shall be required to extend beyond the Resale Restriction Termination Date).

(b) Upon the occurrence or existence of any pending corporate development, public filings with the SEC or any other material event that, in the reasonable judgment of the Company, makes it appropriate to suspend the availability of the Shelf Registration Statement and the related prospectus, the Company shall give notice (without notice of the nature or details of such events) to the Trustee and the Holders that the availability of the Shelf Registration Statement is suspended and, upon the delivery of such notice, each beneficial owner will be deemed to agree: (i) not to sell any shares of Common Stock pursuant to the Shelf Registration Statement until such beneficial owner receives copies of the supplemented or amended prospectus, or until it is advised in writing by the Company that the prospectus may be used, and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in such prospectus; and (ii) to hold such notice in confidence (any such period, a “**Deferral Period**”).

ARTICLE 7

ADDITIONAL COVENANTS

In addition to the covenants set forth in Article 4 of the Base Indenture, the Securities shall be subject to the additional covenant set forth below:

Section 7.01. Payment of Additional Tax Amounts. All payments of interest and principal (including the payment of any amount upon Maturity or that constitutes all or part of a Conversion Obligation) by the Company under the Securities shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of a relevant jurisdiction or any political subdivision or taxing authority thereof or therein. The term “**relevant jurisdiction**” as used herein means the Marshall Islands, Singapore or any other jurisdiction in which the Company is organized or maintains an executive office or place of management. In that event, the Company, as applicable, will pay such additional amounts as may be necessary in order that the net amounts received by a Holder after such withholding or deduction shall equal the amount of interest and principal (including the payment of any amount upon Maturity or that constitutes all or part of a Conversion Obligation) which would have been receivable in respect of the Securities in the absence of such withholding or deduction (“**Additional Tax Amounts**”), except that no such Additional Tax Amounts shall apply to:

(a) any present or future tax, assessment or other governmental charge that would not have been so imposed but for the existence of any present or former connection between the Holder (or between a fiduciary, settlor, beneficiary, member or shareholder of the Holder, if the Holder is an estate, a trust, a partnership, a limited liability company or a corporation) and a relevant jurisdiction and its possessions, including, without limitation, the Holder (or such fiduciary, settlor, beneficiary, member or shareholder) being or having been a citizen or resident of a relevant jurisdiction or being or having been engaged in a trade or business or present in a relevant jurisdiction or having, or having had, a permanent establishment in a relevant jurisdiction;

(b) any estate, inheritance, gift, sales, transfer, capital gains, excise or personal property tax or any similar tax, assessment or governmental charge;

(c) any tax, assessment or other governmental charge that is payable otherwise than by withholding or deduction from payments on or in respect of any Security;

(d) any tax, assessment or other governmental charge that would not have been imposed but for the failure to comply with certification, information or other reporting requirements concerning the nationality, residence or identity of the Holder or beneficial owner of that Security, if compliance is required by statute or by regulation of a relevant jurisdiction or of any political subdivision or taxing authority thereof or therein as a precondition to relief or exemption from the tax, assessment or other governmental charge;

(e) any tax, assessment or other governmental charge required to be withheld by any paying agent from any payment of principal of, or interest on any note, if payment can be made without withholding by at least one other paying agent; or

(f) in the case of any combination of the items listed above.

Nor will Additional Tax Amounts be paid with respect to any payment on a Security to a Holder who is a fiduciary, a partnership, a limited liability company or other than the sole beneficial

owner of that payment to the extent that payment would be required by the laws of a relevant jurisdiction (or any political subdivision thereof) to be included in the income, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, a member of that partnership, an interestholder in a limited liability company or a beneficial owner who would not have been entitled to the Additional Tax Amounts had that beneficiary, settlor, member or beneficial owner been the Holder.

Section 7.02. **Limitation on Incurrence of Indebtedness.** The Company shall not create, issue, incur, assume, guarantee or otherwise become directly or indirectly liable for the payment of, contingently or otherwise (collectively, “**incur**”), any Indebtedness, unless the Company’s Value Adjusted Equity Ratio, determined on a pro forma basis as if the Indebtedness had been incurred prior to the determination of such ratio (including a pro forma application of the net proceeds therefrom), is a minimum of 25.00%.

For purposes of this Section 7.02:

(a) “**Value Adjusted Equity Ratio**” means, on any date, the ratio of Value Adjusted Equity to Value Adjusted Total Assets.

(b) “**Value Adjusted Equity**” means Value Adjusted Total Assets less Total Debt.

(c) “**Value Adjusted Total Assets**” means an amount which is equal to the “Consolidated Total Assets” of the Company (as shown in the Company’s most recent balance sheet in accordance with IFRS), less the goodwill, patents, trademarks, licenses and all other assets of the Company which would be treated as intangible under IFRS (if any), and adjusted to reflect the market valuations of the vessels of the Company. The market value of such vessels to be determined quarterly by an Approved Broker, with or without physical inspection of the relevant vessel on the basis of a sale for prompt delivery for cash at arm’s length on normal commercial terms as between a willing buyer and seller, on an “as is, where is” basis, free of any existing charter or other contract of employment and/or pool arrangement. All valuations shall be at the Company’s cost.

(d) “**Total Debt**” means, on a consolidated basis, the aggregate book value of all provisions, other long term liabilities and current liabilities of the Company.

(e) “**Indebtedness**” means any indebtedness for or in respect of:

(i) moneys borrowed and debit balances at bank or other financial institutions;

(ii) any acceptance under any acceptance credit or bill discounting facility (or dematerialized equivalent);

(iii) any note purchase facility or the issue of bonds, notes, debentures, loan stock or any similar instrument;

(iv) the amount of any liability in respect of any lease or hire purchase contract which would, in accordance with IFRS, be treated as a finance or capital lease;

(v) receivables sold or discounted (other than any receivables to the extent they are sold on a non-recourse basis);

- (vi) any amount raised under any other transaction (including any forward sale or purchase agreement) having the commercial effect of a borrowing or otherwise classified as borrowings under IFRS;
- (vii) any derivative transaction entered into in connection with protection against or benefit from fluctuation in any rate or price (and, when calculating the value of any derivative transaction, only the marked to market value shall be taken into account);
- (viii) any counter-indemnity obligation in respect of a guarantee, indemnity, bond, standby or documentary letter of credit or any other instrument issued by a bank or financial institution; and
- (ix) without double counting, the amount of any liability in respect of any guarantee or indemnity for any of the items referred to in clauses (i) to (viii) above

(f) “**Approved Brokers**” means Arrow Shipbroking Group, Fearnley Shipbrokers AS, Sealeague AS and R.S. Platou AS and such other brokers as approved by the Company from time to time, and an “Approved Broker” means any of them.

(g) “**IFRS**” means international accounting standards within the meaning of the IAS Regulation 1606/2002 to the extent applicable to the relevant financial statements and in effect on the date hereof.

ARTICLE 8

The Company shall not consolidate with, enter into a binding share exchange with, or merge with or into, any other Person in a transaction in which it is not the surviving entity, or sell, assign, convey, transfer or lease or otherwise dispose of all or substantially all of its properties and assets to any Person (a “**successor person**”), unless (i) it complies with the requirements of Article 5 of the Base Indenture which, for the avoidance of doubt, requires the performance and observance of every covenant of the Indenture, including providing for the conversion rights set forth under Article 6 of this Supplemental Indenture, and (ii) the successor person is a corporation organized and validly existing under the laws of the Marshall Islands, the United States, any state of the United States or the District of Columbia.

ARTICLE 9

DEFAULT AND REMEDIES

Section 9.01. Limitations on Suits.

The limitations on suits set forth in Section 6.07 of the Base Indenture shall also not apply to actions for the conversion of Securities.

Section 9.02. Unconditional Right of Holders to Convert.

In addition to the unconditional rights set forth in Section 6.08 of the Base Indenture, and notwithstanding any other provision in the Indenture, the Holder of any Security shall have the right, which is absolute and unconditional and may not be impaired or affected without the consent of the Holder, to convert their Securities in accordance with the terms of the Indenture and to bring suit for the enforcement of their right to convert.

Section 9.03. Waiver of Default and Events of Default.

In addition to Section 6.13 of the Base Indenture, consent of each Holder is required to waive any default or Event of Default resulting from the failure by the Company to deliver cash, shares of Common Stock, or a combination thereof, as the case may be, as required upon a conversion of the Securities.

ARTICLE 10

SATISFACTION AND DISCHARGE

Article 8 of the Base Indenture does not apply and is superseded in its entirety by the provisions of this Article.

Section 10.01. Satisfaction and Discharge.

This Indenture shall cease to be of further effect, and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when:

- (i) all Securities theretofore authenticated and delivered (other than (1) Securities which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.08 of the Base Indenture and (2) Securities for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company as provided in Section 10.03) have been delivered to the Registrar for cancellation; or
- (ii) the Company has deposited or caused to be deposited with the Paying Agent, or delivered or caused to be delivered to the Holders, as applicable, after the Securities have become due and payable, whether at the Final Maturity Date, any Fundamental Change Purchase Date or upon Conversion or delivery of a Redemption Notice or otherwise (or will become due and payable at the Final Maturity Date within one year), cash or shares of Common Stock, if any (solely to satisfy outstanding conversions, if applicable), sufficient to pay all of the outstanding Securities and all other sums payable hereunder by the Company, and the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 7.07 of the Base Indenture, of the Company to the Holders under Article 6 of this Supplemental Indenture and of the Paying Agent, Registrar and authenticating agent under Section 7.01(h) of the Base Indenture, shall survive.

Section 10.02. Application of Trust Money.

Subject to the provisions of Section 10.03, the Paying Agent shall hold in trust, for the benefit of the Holders of Securities, all money deposited with it pursuant to Section 10.01(b) with respect to Securities and shall apply the deposited money in accordance with this Indenture and the Securities to the payment of the principal of, and any interest on, the Securities.

Section 10.03. Repayment to Company.

The Paying Agent shall promptly pay to the Company upon request any excess money (i) deposited with them pursuant to Section 10.01(b) and (ii) held by them at any time.

The Paying Agent shall pay to the Company upon request any money held by them for the payment of principal or interest that remains unclaimed for two years after a right to such money has matured; *provided, however*, that the Paying Agent, before being required to make any such payment, may at the expense of the Company cause to be mailed to each Holder entitled to such money notice that such money remains unclaimed and that after a date specified therein, which shall be at least 30 days from the date of such mailing, any unclaimed balance of such money then remaining will be repaid to the Company. After payment to the Company, Holders entitled to money must look to the Company for payment as general creditors unless an applicable abandoned property law designates another person.

Section 10.04. Reinstatement.

If the Paying Agent is unable to apply any money in accordance with Section 10.02 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Securities shall be revived and reinstated as though no deposit had occurred pursuant to Section 10.01(b) until such time as the Paying Agent is permitted to apply all such money in accordance with Section 10.02; *provided, however*, that, if the Company has made any payment of the principal of, or interest on, any Securities because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Securities to receive any such payment from the money held by the Paying Agent.

ARTICLE 11

ARTICLE 12

SUPPLEMENTAL INDENTURES

In addition to those matters set forth in Section 9.03 of the Base Indenture, without the consent of each Securityholder affected, an amendment or waiver may not:

- (a) modify the provisions with respect to the purchase right of Holders pursuant to Article 4 upon a Fundamental Change in a manner adverse to Holders;
- (b) adversely affect the rights of Holders to convert Securities other than as provided for under Article 6 of this Supplemental Indenture; or
- (c) modify any provision with respect to Additional Tax Amounts.

ARTICLE 13

SINKING FUND

[FORM OF REVERSE OF SECURITY]

DHT HOLDINGS, INC.

4.5% CONVERTIBLE SENIOR NOTES DUE 2021

1. INTEREST AMOUNTS

DHT Holdings, Inc., a company organized in the Marshall Islands (the “Company,” which term shall include any successor corporation under the Indenture hereinafter referred to), will pay interest at a rate of 4.5% per annum, on the principal amount of this Security payable as provided in the Indenture, together with any additional interest required to be paid under Section 6.02(b) of the Base Indenture, any additional interest required to be paid under Section 2.07 of the Supplemental Indenture (as defined below) and any Additional Tax Amounts thereon.

2. METHOD OF PAYMENT

The Company shall pay any interest on this Security to the person who is the Holder of this Security at the close of business on February 1 or August 1, as the case may be, next preceding the related Interest Payment Date. The Holder must surrender this Security to a Paying Agent to collect payment of principal. Interest on the Security will be paid at a rate of 4.5% per annum from August 21, 2018, or from the most recent date to which interest had been paid or provided for to, but excluding, the next Interest Payment Date. Interest is payable semi-annually in arrears on February 15 and August 15 of each year, or if any such day is not a Business Day, the immediately following Business Day, commencing February 15, 2019. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months. In the event of the maturity, conversion or purchase of the Security by the Company at the option of the Holder, interest shall cease to accrue on the Security. However, the Company will pay interest on the maturity date to a Holder of record of the Security on the record date immediately preceding the stated maturity date regardless of whether such Holder converts the Security.

The Company will make all payments in respect of a Global Security registered in the name of the Depository or its nominee to the Depository or its nominee, as the case may be, by wire transfer of immediately available funds to the account of the Depository or its nominee. The Company will make all payments in respect of a Definitive Security (including principal and interest) in U.S. dollars at the office of the Trustee. At the Company’s option, the Company may make such payments by mailing a check to the registered address of each Holder thereof as such address shall appear on the register or, if requested by a Holder of more than \$1,000,000 in aggregate principal amount of Securities, by wire transfer of immediately available funds to the account specified by such Holder.

3. PAYING AGENT, REGISTRAR AND CONVERSION AGENT

Initially, U.S. Bank National Association will act as Paying Agent, Registrar and Conversion Agent. The Company may appoint and change any Paying Agent, Conversion Agent or Registrar without notice, other than notice to the Trustee; *provided* that the Company will maintain at least one Paying Agent in the United States of America. The Company or any of its Subsidiaries may, subject to certain limitations set forth in the Indenture, act as Paying Agent or Registrar.

4. INDENTURE, LIMITATIONS

This Security is one of a duly authorized issue of Securities of the Company designated as its 4.5% Convertible Senior Notes due 2021 (the “Securities”), issued under an Indenture, dated as of September 15, 2014 (together with the Second Supplemental Indenture dated August 21, 2018 (the “Supplemental Indenture”) and any other supplemental indentures thereto, the “Indenture”), between the Company and the Trustee. The terms of this Security include those stated in the Indenture and those required by or made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended, as in effect on the date of the Indenture. This Security is subject to all such terms, and the Holder of this Security is referred to the Indenture and said Act for a statement of them.

The Securities are senior unsecured obligations of the Company limited, except as set forth in the Indenture, to \$125,000,000 aggregate principal amount.

5. REDEMPTION

Prior to the Par Call Date, the Company shall be entitled to redeem the Securities at its option, in whole or in part, *provided* that the Closing Sale Price of the Company’s Common Stock for at least 20 Trading Days (whether or not consecutive) during the period of 30 consecutive Trading Days ending on the Trading Day immediately prior to the date of the Redemption Notice exceeds 130% of the applicable Conversion Price for the Securities on each applicable Trading Day. At any time on or after the Par Call Date and prior to the Final Maturity Date, the Company shall be entitled to redeem the Securities at its option, in whole or in part. The Redemption Price for the Securities to be redeemed on any Redemption Date will equal (a) 100% of the principal amount of the Securities being redeemed plus (b) accrued and unpaid interest (including additional interest), if any, to, but excluding, the Redemption Date, unless the Redemption Date falls after a Record Date but on or prior to the immediately succeeding Interest Payment Date, in which case the Company shall instead pay the full amount of accrued and unpaid interest, including any additional interest, to the Holder of record as of the close of business on such Record Date. If Securities are redeemed on a date that is after a Record Date for the payment of interest and on or prior to the corresponding Interest Payment Date, accrued and unpaid interest will not be paid to the Holder of Securities being redeemed, and instead the full amount of the relevant interest payment will be paid on such Interest Payment Date to the Holder of record on such Record Date.

6. PURCHASE OF SECURITIES AT OPTION OF HOLDER UPON A FUNDAMENTAL CHANGE

At the option of the Holder and subject to the terms and conditions of the Indenture, the Company shall become obligated to purchase all or any part specified by the Holder (so long as the principal amount of such part is \$1,000 or an integral multiple of \$1,000 in excess thereof) of the Securities held by such Holder on a date, determined by the Company in its sole discretion, that is not less than 20 Business Days and not more than 30 Business Days after the occurrence of a Fundamental Change, at a purchase price equal to 100% of the principal amount thereof, together with any accrued interest up to, but excluding, the Fundamental Change Purchase Date, unless the Fundamental Change Purchase Date is after a Record Date and on or prior to the related Interest Payment Date, in which case interest accrued to the Interest Payment Date will be paid to Holders of the Securities as of the preceding Record Date and the Fundamental Change Purchase Price payable to any Holder surrendering such Holder’s Security for purchase pursuant to Article 3 of the Indenture shall be equal to the principal amount of Securities subject to purchase and will not include any accrued and unpaid interest. The Fundamental Change Purchase Price shall be payable in cash. The Holder shall have the right to withdraw any Fundamental Change Purchase Notice (in whole or in a portion thereof that is \$1,000 or an integral multiple of \$1,000 in excess thereof) at any time prior to 5:00 p.m., New York City time, on the Business

Day immediately preceding the Fundamental Change Purchase Date by delivering a written notice of withdrawal to the Paying Agent in accordance with the terms of the Indenture.

7. CONVERSION

A Holder of a Security may convert the principal amount of such Security (or any portion thereof equal to \$1,000 or any integral multiple of \$1,000 in excess thereof) into shares of Common Stock at any time prior to the close of business on the Business Day immediately preceding the Final Maturity Date, at the Conversion Price then in effect, subject to the conditions, if any, set forth in Section 6.01 of the Supplemental Indenture; *provided, however,* that, if the Security is subject to purchase upon a Fundamental Change, the conversion right will terminate at the close of business on the Business Day immediately preceding the Fundamental Change Purchase Date for such Security or such earlier date as the Holder presents such Security for purchase (unless the Company shall default in making the Fundamental Change Purchase Price when due, in which case the conversion right shall terminate at the close of business on the date such default is cured and such Security is purchased).

The initial Conversion Price is \$6.2599 per share of Common Stock, and the initial Conversion Rate is 159.7470 shares of Common Stock, in each case subject to adjustment under certain circumstances as provided in the Indenture. No fractional shares will be issued upon conversion; in lieu thereof, the Company will pay cash in an amount determined by multiplying the Closing Sale Price of a full share of Common Stock on the last Trading Day prior to the Conversion Date by the fractional amount and rounding the product to the nearest whole cent. Whether fractional shares are issuable upon a conversion will be determined on the basis of the total number of Securities that the Holder is then converting into cash and Common Stock, if any, and the aggregate number of shares, if any, of Common Stock issuable upon such conversion.

To convert a Security, a Holder must (a) complete and manually sign the conversion notice set forth below and deliver such notice to a Conversion Agent, (b) surrender the Security to a Conversion Agent, (c) furnish appropriate endorsements and transfer documents if required by the Registrar or the Conversion Agent and (d) pay any transfer or similar tax, if required. A Holder may convert a portion of a Security equal to \$1,000 or any integral multiple of \$1,000 in excess thereof. In the case of a Security held by the Depository, such conversion shall be done in accordance with the applicable rules and procedures of the Depository.

A Security in respect of which a Holder had delivered a Fundamental Change Purchase Notice exercising the option of such Holder to require the Company to purchase such Security may be converted only if the Fundamental Change Purchase Notice is withdrawn in accordance with the terms of the Indenture.

8. DENOMINATIONS, TRANSFER, EXCHANGE

The Securities are in registered form, without coupons, in denominations of \$1,000 and integral multiples of \$1,000. A Holder may transfer or exchange Securities in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes or other governmental charges that may be imposed in relation thereto by law or permitted by the Indenture.

9. PERSONS DEEMED OWNERS

The Holder of a Security may be treated as the owner of it for all purposes.

10. UNCLAIMED MONEY

If money for the payment of principal, or interest, if any, remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Company at its written request, subject to applicable unclaimed property law. After that, Holders entitled to money must look to the Company for payment as general creditors unless an applicable abandoned property law designates another person.

11. AMENDMENT, SUPPLEMENT AND WAIVER

Subject to certain exceptions set forth in the Indenture, the Securities and the Indenture may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Securities then outstanding, and an existing default or Event of Default with respect to the Securities and its consequence or compliance with any provision of the Securities or the Indenture may be waived in a particular instance with the consent of the Holders of a majority in aggregate principal amount of the Securities then outstanding. Without the consent of or notice to any Holder, the Company and the Trustee may amend or supplement the Indenture or the Securities to, among other things, cure any ambiguity, defect or inconsistency or make any other change that does not adversely affect the rights of any Holder.

12. CALCULATIONS IN RESPECT OF SECURITIES

Except to the extent provided therein, the Company will be responsible for making all calculations called for under the Indenture and the Securities. These calculations include, but are not limited to, determinations of the Closing Sale Price of the Common Stock, adjustments to the Conversion Price, any accrued interest payable on the Securities, the Conversion Price and the Conversion Rate. The Company will make these calculations in good faith and, absent manifest error, the calculations will be final and binding on Holders of the Securities. The Company will provide to each of the Trustee, the Paying Agent and the Conversion Agent a schedule of its calculations, and the Trustee, the Paying Agent and the Conversion Agent are entitled to rely conclusively upon the accuracy of such calculations without independent verification. The Trustee will forward the Company's calculations to any Holder of the Securities upon the request of such Holder.

13. SUCCESSOR ENTITY

When a successor corporation assumes all the obligations of its predecessor under the Securities and the Indenture in accordance with the terms and conditions of the Indenture, the predecessor corporation (except in certain circumstances specified in the Indenture) shall be released from those obligations.

14. DEFAULTS AND REMEDIES

Under the Indenture, an "Event of Default" with respect to Securities shall occur if:

- (a) the Company defaults in the payment of any principal of any Security at Maturity (including, following a Fundamental Change), including any Additional Tax Amounts (if any) thereon;
- (b) the Company defaults in the payment of any interest on any Security, including any Additional Tax Amounts (if any) thereon, when it becomes due and payable, and continuance of such default for a period of 30 days (unless the entire amount of such payment is deposited by the Company with the Trustee or with a Paying Agent that is not an affiliate of the Company prior to the expiration of such period of 30 days);

(c) the Company fails to pay the cash and deliver the shares of Common Stock, if any, representing the Conversion Obligation (including any Additional Shares and any Additional Tax Amounts (if any) thereon) upon conversion of any Security within the time period required by the provisions of this Indenture;

(d) the Company fails to perform or comply with any of its other covenants or agreements contained in the Securities or in the Indenture (other than a covenant or agreement a default in whose performance or whose breach is specifically dealt with in clauses (a), (b) or (c) of this definition) and the default continues for 60 days after notice is given as specified below;

(e) any indebtedness under any bond, debenture, note or other evidence of indebtedness for money borrowed by the Company or any Subsidiary or under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by, or any other payment obligation of, the Company or any Subsidiary with a principal amount then, individually or in the aggregate, outstanding in excess of \$30,000,000, whether such indebtedness now exists or shall hereafter be created, is not paid at final Maturity or when otherwise due or is accelerated, and such indebtedness is not discharged, or such default in payment or acceleration is not cured or rescinded, within a period of 30 days after there shall have been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the outstanding Securities of that Series a written notice specifying such default and requiring the Company to cause such indebtedness to be discharged or cause such default to be cured or waived or such acceleration to be rescinded or annulled and stating that such notice is a "Notice of Default" hereunder; *provided* that a payment obligation (other than indebtedness under any bond, debenture, note or other evidence of indebtedness for money borrowed by the Company or any Subsidiary or under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Company or any Subsidiary) shall not be deemed to have matured, come due, or been accelerated to the extent that it is being disputed by the relevant obligor or obligors in good faith;

(f) the Company or any Subsidiary fails to pay one or more final and non-appealable judgments entered by a court or courts of competent jurisdiction, the aggregate uninsured or unbonded portion of which is in excess of \$50,000,000, if the judgments are not paid, discharged, waived or stayed within 30 days;

(g) the Company defaults in the payment of the purchase price of any Security when the same becomes due and payable, including any Additional Tax Amounts (if any) thereon;

(h) the Company fails to provide a Fundamental Change Purchase Notice when required by Section 4.01 of the Supplemental Indenture;

(i) the Company or any Subsidiary of the Company, pursuant to or within the meaning of any Bankruptcy Law: (1) commences a voluntary case or proceeding; (2) consents to the entry of an order for relief against it in an involuntary case or proceeding; (3) consents to the appointment of a Custodian of it or for all or substantially all of its property; or (4) makes a general assignment for the benefit of its creditors; or (5) or generally is unable to pay its debts as the same become due; or

(j) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that: (i) is for relief against the Company or any of its Subsidiaries in an involuntary case or proceeding; (ii) appoints a Custodian of the Company or any of its Subsidiaries for all or substantially all of the property of the Company or any such Subsidiary; or (iii) orders the liquidation of the Company or

any of its Subsidiaries; and the case of each of clause (i), (ii) and (iii), the order or decree remains unstayed and in effect for 60 consecutive days.

A default under clause (d) above is not an Event of Default until the Trustee notifies the Company, or the Holders of at least 25% in aggregate principal amount of the Securities then outstanding notify the Company and the Trustee, in writing of the default, and the Company does not cure the default within 60 days after receipt of such notice. If an Event of Default (other than an Event of Default specified in clause (i) or (j) above) occurs and is continuing with respect to any Securities, then in every such case, the Trustee may, by notice to the Company, or the Holders of at least 25% in aggregate principal amount of the Securities then outstanding may, by notice to the Company and the Trustee, declare all unpaid principal of, and accrued and unpaid interest on to the date of acceleration, the Securities then outstanding (if not then due and payable) to be due and payable upon any such declaration, and the same shall become and be immediately due and payable. If an Event of Default specified in clause (i) or (j) above occurs, all unpaid principal of the Securities then outstanding, and all accrued and unpaid interest thereon to the date of acceleration, shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

Holders may not enforce the Indenture or the Securities except as provided in the Indenture. The Trustee may require indemnity satisfactory to it before it enforces the Indenture or the Securities. Subject to certain limitations, Holders of a majority in aggregate principal amount of the Securities then outstanding may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing default (except a default in payment of principal or any interest) if it determines that withholding notice is in their interests. The Company is required to file periodic reports with the Trustee as to the absence of default.

Under the terms of the Indenture, at the election of the Company in its sole discretion, the sole remedy for an Event of Default relating to the failure to comply with Section 4.02 of the Base Indenture, and for any failure to comply with the requirements of Section 314(a)(1) of the TIA, will consist, for the 180 days after the occurrence of such an Event of Default, exclusively of the right to receive additional interest on the Securities at a rate equal to 0.50% per annum of the aggregate principal amount of the Securities then outstanding up to, but not including, the 181st day thereafter (or, if applicable, the earlier date on which the Event of Default relating to Section 4.02 of the Base Indenture or Section 314(a)(1) of the TIA is cured or waived). Any such additional interest will be paid and calculated in the manner set forth in the Indenture.

15. TRUSTEE DEALINGS WITH THE COMPANY

U.S. Bank National Association, the Trustee under the Indenture, in its individual or any other capacity, may make loans to, accept deposits from and perform services for the Company or an Affiliate of the Company and may otherwise deal with the Company or an Affiliate of the Company, as if it were not the Trustee.

16. NO RECOURSE AGAINST OTHERS

A director, officer, employee or shareholder, as such, of the Company shall not have any liability for any obligations of the Company under the Securities or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. The Holder of this Security by accepting this Security waives and releases all such liability. The waiver and release are part of the consideration for the issuance of this Security.

FORM OF SELLING SECURITYHOLDER NOTICE AND QUESTIONNAIRE

The undersigned beneficial owner of 4.5% Convertible Senior Notes due 2021 (the “**Securities**”) of DHT Holdings, Inc. (the “**Company**”) understands that the Company has filed or intends to file with the Securities and Exchange Commission a registration statement (the “**Shelf Registration Statement**”) for the registration and resale under Rule 415 of the Securities Act of 1933, as amended, of the shares of Common Stock into which the Securities are exchangeable (the “**Registerable Securities**”) pursuant to the terms of the Second Supplemental Indenture, dated August 21, 2018, to the Indenture dated as of September 15, 2014 between the Company and U.S. Bank National Association, as trustee (together, the “**Indenture**”). All capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

In order to sell or otherwise dispose of any Registrable Securities pursuant to the Shelf Registration Statement, a beneficial owner of Registrable Securities generally will be required to be named as a Selling Securityholder (as defined below) in the related prospectus and deliver a prospectus to the purchasers of such Registrable Securities. Beneficial owners are encouraged to complete, execute and deliver this Notice and Questionnaire prior to the effectiveness of the Shelf Registration Statement so that such beneficial owners may be named as Selling Securityholders in the related prospectus at the time of effectiveness. Any beneficial owner of Registrable Securities wishing to include its Registrable Securities must deliver to the Company a properly completed and signed Notice and Questionnaire.

Certain legal consequences arise from being named as Selling Securityholders in the Shelf Registration Statement and the related prospectus. Accordingly, holders and beneficial owners of Registrable Securities are advised to consult their own securities law counsel regarding the consequences of being named or not being named as a Selling Securityholder in the Shelf Registration Statement and the related prospectus.

Notice

The undersigned beneficial owner (the “**Selling Securityholder**”) of Registrable Securities hereby gives notice to the Company of its intention to sell or otherwise dispose of Registrable Securities beneficially owned by it and listed below in Item 3(b) pursuant to the Shelf Registration Statement. The undersigned, by signing and returning this Notice and Questionnaire, understands that it will be bound by the terms and conditions of this Notice and Questionnaire.

Indemnification and Contribution

The Company agrees to indemnify and hold harmless each Selling Securityholder of shares of Common Stock covered by the Shelf Registration Statement, the directors, officers, employees, affiliates and agents of each such Selling Securityholder and each person who controls any such Selling Securityholder within the meaning of either the Securities Act of 1933 as amended (the “**Securities Act**”), or the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Securities Act, the Exchange Act or other federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Shelf Registration Statement as originally filed or in any amendment thereof, or in any preliminary prospectus or the prospectus related thereto, or in any amendment thereof or supplement thereto, or caused by the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of any preliminary prospectus or the prospectus, in the light of the circumstances under which they were made) not misleading, and agrees to reimburse each such

indemnified party, as incurred, for any legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, damage, liability or action; *provided, however*, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of the party claiming indemnification specifically for inclusion therein.

The undersigned severally and not jointly agrees to indemnify and hold harmless the Company, each of the Company's directors and officers who signs the Shelf Registration Statement and each person who controls the Company within the meaning of either the Securities Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company to the undersigned, but only with reference to written information relating to such Selling Securityholder furnished to the Company by or on behalf of such Selling Securityholder specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement shall be in addition to any liability that the undersigned may otherwise have.

Promptly after receipt by an indemnified party under this section or notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this section, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under the foregoing paragraphs of this section unless and to the extent it has been materially prejudiced through the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in the foregoing paragraphs of this section. If any action shall be brought against an indemnified party and it shall have notified the indemnifying party thereof, the indemnifying party shall be entitled to appoint counsel (including local counsel) of the indemnifying party's choice at the indemnifying party's own expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel, other than local counsel if not appointed by the indemnifying party, retained by the indemnified party or parties except as set forth below); *provided, however*, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel (including local counsel) to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of employing such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. It is understood and agreed that the indemnifying party shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate law firm (in addition to any local counsel) for all indemnified persons. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified

party from all liability arising out of such claim, action, suit or proceeding and does not include an admission of fault, culpability or a failure to act, by or on behalf of such indemnified party.

In the event that the indemnity provided in the foregoing paragraphs of this section is unavailable to or insufficient to hold harmless an indemnified party for any reason, then each applicable indemnifying party shall have a joint and several obligation to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending loss, claim, liability, damage or action) (collectively “Losses”) to which such indemnified party may be subject in such proportion as is appropriate to reflect the relative benefits received by such indemnifying party, on the one hand, and such indemnified party, on the other hand, from the initial sale of the Securities and the Shelf Registration Statement which resulted in such Losses. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the indemnifying party and the indemnified party shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of such indemnifying party, on the one hand, and such indemnified party, on the other hand, in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the initial sale of the Securities (before deducting expenses). Benefits received by any Selling Securityholder shall be deemed to be equal to the value of receiving shares of Common Stock registered under the Securities Act. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information provided by the indemnifying party, on the one hand, or by the indemnified party, on the other hand, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The parties agree that it would not be just and equitable if contribution were determined by pro rata allocation (even if the Selling Securityholders were treated as one entity for such purpose) or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph, no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this section, each person who controls a Selling Securityholder within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee and agent of such Holder shall have the same rights to contribution as such Selling Securityholder, and each person who controls the Company within the meaning of either the Securities Act or the Exchange Act, each officer of the Company who shall have signed the Shelf Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this paragraph.

The provisions of this section shall remain in full force and effect, regardless of any investigation made by or on behalf of any Selling Securityholder or the Company or any of the indemnified persons referred to in this section, and shall survive the sale by a Selling Securityholder of securities covered by the Shelf Registration Statement.

8. Plan of Distribution:

Except as set forth below, the undersigned (including its donees or pledgees) intends to distribute the Registrable Securities listed above in Item 3 pursuant to the Shelf Registration Statement only as follows (if at all): such Registrable Securities may be sold from time to time directly by the undersigned or alternatively through underwriters, broker-dealers or agents. If the Registrable Securities are sold through underwriters, broker-dealers or agents, the Selling Securityholder will be responsible for underwriting discounts or commissions or agent’s commissions. Such Registrable Securities may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale, or at negotiated prices. Such sales may be effected in transactions (which may involve crosses or block transactions) (i) on any national securities exchange or quotation service on which the Registrable Securities may be listed or quoted at the time of sale, (ii) in the over-the-counter market, (iii) in transactions otherwise than on such exchanges or services or in the over-the-counter market or (iv) through the writing of options. Note: In no event may such method(s) of distribution take the form of an underwritten offering of the Registrable Securities without the prior agreement of the Company.

The Company hereby advises each selling securityholder of the following Interpretation of the July 1997 SEC Manual of Publicly Available Telephone Interpretations regarding short selling:

“An issuer filed a Form S-3 registration statement for a secondary offering of common stock which is not yet effective. One of the selling shareholders wanted to do a short sale of common stock “against the box” and cover the short sale with registered shares after the effective date. The issuer was advised that the short sale could not be made before the registration statement becomes effective, because the shares underlying the short sale are deemed to be sold at the time such sale is made. There would, therefore, be a violation of Section 5 if the shares were effectively sold prior to the effective date.”

By returning this Notice and Questionnaire, the Selling Securityholder will be deemed to be aware of the foregoing interpretation.

Yes

No

- (ii) What is the name(s) of the selling securityholder(s) from whom the Selling Securityholder received the Registrable Securities listed above in Item 3 and on which date were such securities received?:

The undersigned acknowledges that it understands its obligation to comply with the provisions of the Exchange Act and the rules thereunder relating to stock manipulation, particularly Regulation M thereunder (or any successor rules or regulations), in connection with any offering of Registrable Securities pursuant to the Shelf Registration Statement. DHT Holdings, Inc. Announces a \$119 Million Transaction of Privately Negotiated Exchanges of Existing Convertible Notes due 2019 and Concurrent Private Placement of New Convertible Notes due 2021

HAMILTON, BERMUDA, August 16, 2018 – DHT Holdings, Inc. (NYSE:DHT) (“DHT,” or the “Company”) announced today that it has entered into separate, privately negotiated exchange agreements with certain holders of its outstanding 4.5% Convertible Senior Notes due 2019 (the “Existing Notes”) to exchange approximately \$67.5 million aggregate principal amount of the Existing Notes for approximately \$74.2 million aggregate principal amount of the Company’s new 4.5% Convertible Senior Notes due 2021 (the “Exchange Notes” and such transactions, the “Private Exchanges”). The Company also announced that it has entered into private placement purchase agreements with investors to issue approximately \$44.7 million aggregate principal amount of the Company’s new 4.5% Convertible Senior Notes due 2021 (the “New Notes” and, together with the Exchange Notes, the “2021 Notes”; such transactions, the “Private Placement”) for gross proceeds of approximately \$41.6 million. The Company expects to use the net proceeds of the Private Placement for general corporate purposes.

Upon the completion of the Private Exchanges and Private Placement, the aggregate principal amount of 2021 Notes outstanding would be approximately \$119.0 million. The 2021 Notes will be senior unsecured obligations of the Company and rank *pari passu* with all of DHT’s other senior unsecured debt, including the Existing Notes, and senior to all of its present and future subordinated debt. The 2021 Notes will bear interest at a rate of 4.5% per annum on the principal amount accruing from August 21, 2018. Interest will be payable semiannually in arrears on February 15 and August 15 of each year, beginning on February 15, 2019. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months. The 2021 Notes will mature on August 15, 2021, unless earlier converted, redeemed or repurchased in accordance with their terms.

The 2021 Notes are convertible at the option of the holder and may be converted at any time prior to the business day immediately preceding the maturity date of the 2021 Notes as specified in the indenture that will govern the 2021 Notes (the “Indenture”). Upon conversion of the 2021 Notes, holders will receive shares of the Company’s common stock.

The initial conversion price will be \$6.2599 per share of common stock (equivalent to an initial conversion rate of 159.7470 shares of common stock per \$1,000 aggregate principal amount of 2021 Notes), representing a premium of approximately 49% to the closing price of DHT’s common stock on August 15, 2018, and will be subject to customary anti-dilution adjustments. In addition, holders who convert their 2021 Notes in connection with a make whole adjustment event (as defined in the Indenture) or a redemption occurring prior to the date that is one year before the maturity date may be entitled to a make-whole adjustment amount in the form of an increase in the conversion rate for 2021 Notes converted in connection with such make whole adjustment event or redemption.

At any time prior to the date that is one year before the maturity date of the 2021 Notes, if the price of DHT’s common stock has exceeded 130% of the conversion price for at least 20 trading days (whether or not consecutive) in the consecutive 30-day trading period ending on the trading day prior to the date of mailing of the notice of redemption, DHT has the right at any time to redeem some or all of the 2021 Notes at a redemption price of 100% of their principal amount plus accrued and unpaid interest to, but excluding, the redemption date. At any time during the year immediately preceding maturity, DHT has the right at any time to redeem some or all of the 2021 Notes at a redemption price of 100% of their principal amount plus accrued and unpaid interest to, but excluding, the redemption date.

Holders of the 2021 Notes will have the right, at their option, to require the Company to repurchase such holders' notes if the Company undergoes a fundamental change (as defined in the Indenture), at a repurchase price equal to 100% of the principal amount of the 2021 Notes on the fundamental change purchase date, plus accrued and unpaid interest, if any, to, but excluding, such purchase date.

The Private Exchanges and the Private Placement are each expected to close on or about August 21, 2018, subject in each case to customary closing conditions. The Company anticipates approximately \$38.4 million aggregate principal amount of Existing Notes will remain outstanding following closing of the Private Exchanges.

This press release is neither an offer to sell nor a solicitation of an offer to buy the 2021 Notes, nor shall there be any sale of the 2021 Notes in any state or jurisdiction in which such offer, solicitation or sale is unlawful. The 2021 Notes and the common stock issuable upon conversion of the 2021 Notes have not been, and will not be, registered under the Securities Act of 1933, as amended (the "Securities Act"), or the securities laws of any other jurisdiction and may not be offered or sold absent registration or an applicable exemption from the registration requirements under the Securities Act.
